INSTRUCTIONS TO STATED CLERKS.

(1) Do not write a line until you have all your matter prepared.

(2) Write with pen and ink, and write plainly. Do not use *pale* ink.

(3) Arrange names of Ministers, Licentiates, and Candidates *alphabetically. Do not forget this.*

(4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. THIS MUST BE DONE.

(5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.

(6) Insert dollars *and* cents in column "*Children's Day Collections*" and in column "Dues to Presbytery." Do not put *cents* in any other column.

(7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and *verify* the same. This *must* be done by you, or you *must* get a competent accountant to do it. All the Presbyterian bodies in the land require this of Stated Clerks of Presbyteries. *Do not send your report until this has been done.*

(8) In the column "Total Contributions," put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in *pencil* marks the figures can be erased. *Please do not overlook this request.*

(9) Send list of Commissioners as soon as they are elected, and send it in a small envelope *not* in the large one which you will find inclosed, for it is for you to use in sending your *report.*

(10) Send Contingent Tax as soon as you collect it. Let it reach me *before* May 1, or your Presbytery will be reported delinquent. The "tax" is $2.00 on each *ordained* minister. (See Minutes, 1890. page 36.)

(11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite *blank* columns. But by all means report name and address of Clerk of Session, *number of members* and all else you may know.

(12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.

(13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, *your* labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundredfold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a *blank.* There is no help for such an exhibit, according to the "new form."

(14) Finally. Your heaviest labor will be the *first* year, for when you once get the names of your *congregations* alphabetically arranged and those of your *Sunday-school Superintendents* arranged as required on the last page of Presbyterial blanks, you can get the same the *next* year, with a few alterations, from the Minutes of the General Assembly.

FRIDAY, May 19, 2.30 P.M.

SPECIAL ORDER.

It was determined that 10 o'clock A.M. Monday next be fixed as the time when the Permanent Committee on Systematic Beneficence shall make their report.

REPORT OF THE COMMITTEE ON CREDENTIALS (No. 1).

The Committee on Credentials submitted Reports No. 1 and No. 2, which were adopted, and are as follows:

Your Committee appointed to examine the eligibility of Rev. J. H. W. Jones as a commissioner to this General Assembly, would report that the papers in our hands show that he was chosen as a commissioner to this General Assembly by Obion Presbytery at its regular meeting, March 13, 1893. After the adjournment of Presbytery the question of the eligibility of said J. H. W. Jones was raised and an extra session of Presbytery was convened March 30. At this meeting the previous action of Presbytery was confirmed. Your committee understand that at this meeting Brother Jones received thirty-eight of the forty votes recorded as present. Before the close of said meeting a solemn protest was entered to the aforesaid action by Rev. J. A. McDonald and T. J. Latimer, basing said protest upon the fact that J. H. W. Jones has been residing for about two years in the city of St. Louis, without the bounds of this Presbytery. Therefore they claim that he is barred from being a commissioner to this General Assembly. But your committee find by diligent inquiry that Brother Jones has attended all the meetings of Presbytery and has attended Synod as a delegate and that he is now the pastor of more than one church in the bounds of Obion Presbytery and spends fully two thirds of his time in the bounds of the presbytery. Your committee therefore see no reason

why he should not be a member of this body, and we advise that his name be and hereby is enrolled as such.

S. K. HOLTSINGER, *Chairman.*

REPORT OF THE COMMITTEE ON CREDENTIALS (No. 2).

Your Committee on Credentials respectfully submit Report No. 2. The question is upon the eligibility of Rev. W. L. Williams to sit as a commissioner from West Iowa Presbytery, upon regular credentials of appointment as second alternate, and in the absence of the principal and first alternate. There appears no restriction in our government upon this subject, and as the appointment of alternates is for the purpose of insuring as far as possible representation in the higher courts, we submit that the Presbytery is competent to determine the number of those appointed as alternates. Therefore we recommend that Brother Williams be seated.

S. K. HOLTSINGER, *Chairman.*

REPORT OF COMMITTEE ON SABBATH OBSERVANCE (No. 1).

The Committee on Sabbath Observance submitted Report No. 1, which was a resolution that the Stated Clerk of the General Assembly send a telegram to the managers of the Columbian Exposition protesting against the opening of said Exposition on the Sabbath. The report was adopted by a unanimous vote, and is as follows:

WHEREAS, It has come to the knowledge of your committee that the managers of the World's Columbian Exposition have determined to open the gates of the Exposition on next Sabbath day. Therefore your Committee hereby recommend that the Stated Clerk of this Assembly be directed to send at once a telegram to said managers protesting against such opening of the gates.

REGULAR AND SPECIAL ORDERS SUSPENDED.

The regular and the special orders were suspended, and Report No. 3 of the Committee on Credentials was taken up and considered, whereupon the majority report was adopted.

The following are the majority and minority reports of the Committee on Credentials:

MAJORITY REPORT OF COMMITTEE ON CREDENTIALS (No. 3).

Your committee appointed to pass upon the eligibility of Mrs. P. L. Clagett to a seat in the General Assembly as a representative of Nolin Presbytery, would report that, in view of the expression of the last General Assembly (see Minutes of 1892, p. 24), Mrs. Clagett is entitled to a seat as a delegate. We therefore recommend that her name be enrolled as a commissioner from Nolin Presbytery.

Your committee do not desire to be understood as passing upon the legal or constitutional aspect of this question, but act in view of the previous deliverance of this body.

S. K. HOLTSINGER, *Chairman.*

MINORITY REPORT OF COMMITTEE ON CREDENTIALS (No. 3).

As a minority of your Committee on Credentials, to whom was referred the question of eligibility of Mrs. P. L. Clagett to a seat in this General Assembly as a commissioner from Nolin Presbytery, the undersigned desires to submit a report at issue with the majority Report No. 3 on this question.

1. The minority would take issue with the majority in that they do not pass upon the constitutional aspect of the question. The question came to the committee solely upon the constitutional aspect of it. No question is raised as to form of the credentials in the case.

2. The minority would also take issue with the majority in their recommendation, in that the action of the General Assembly of 1892 (Minutes, p. 24), upon which it is based, is itself in abeyance by the reopening of the question, as indicated by the following facts:

(1) By the protest of W. H. Berry, *et al.*, spread upon the Minutes of the General Assembly of 1892 (p. 46) by its consent, containing this appeal: "As loyal sons of the Church we enter this protest and appeal to the Presbyteries of the Church to justify us in doing so by taking the necessary steps to protect themselves in the enjoyment of their constitutional rights and prerogatives."

(2) Acting upon this view —— Presbyteries come to this General Assembly, asking a new hearing and a new deliverance upon the construction of the constitution itself.

(3) These notices are in the possession of the General Assembly from the date of filing with its Stated Clerk. These memorials are the only recourse left to the Presbyteries to protect themselves. The General Assembly's own admission of this protest gives the necessary consent to the reopening of the question.

(4) It is in reality now before the General Assembly for the first time with a concrete case to give the body indisputable jurisdiction upon the constitutionality of the question, in addition to being before it with tenfold more emphasis even upon memorials than it was a year ago, when only one Presbytery asked a deliverance.

Therefore, in view of the intention of the framers of the constitution, as shown by its language and the uniform practice for two generations, the minority would respectfully recommend that this General Assembly declare

that under the constitution as it stands, women are not eligible to be made ruling elders, and that, therefore, our sister, Mrs. Clagett, is ineligible to a seat as a commissioner. S. M. TEMPLETON.

In accordance with the recommendation of the majority report, the name of Mrs. P. L. Clagett was enrolled as a Commissioner from the Nolin Presbytery.

REPORT OF COMMITTEE ON CORRESPONDENCE (Nos. 1, 2).

After suspending the Standing Rule, the committee on Correspondence submitted the following reports, Nos. 1 and 2, which, with the exception of item No. 2 of report No. 1, which was referred to the Committee on Finance, were concurred in. These reports are as follows:

REPORT OF COMMITTEE ON CORRESPONDENCE (No. 1).

The Committee on Correspondence beg leave to submit the following:

The report of the Rev. W. H. Roberts, D.D., LL.D, Secretary of the Western Section of the "Alliance of the Reformed Churches throughout the world holding the Presbyterian System," which was referred to your committee, we have carefully examined, and are pleased to note the evidences of interest manifested in this world-renowned association. The meeting of the Alliance in Toronto, Canada, last September, was one of eminent success and of great profit to all whose good fortune it was to attend its sessions. In the language of the report, the "attendance was large and representative, the discussions scholarly, thorough, and fraternal, and the general result upon the community and upon the representatives of the churches encouraging and unifying." We are glad to notice, also, that our well-beloved brother, the Rev. W. J. Darby, D.D., has been appointed by the Executive Commission to bear the greetings of the Alliance to this Assembly. It is claimed that your *pro rata* of the expenses of the Alliance for the past year is $510. In view of the foregoing, we make the following recommendations:

1. That the report be spread upon the Minutes of the Assembly.

2. That an order be issued upon your Treasurer for the amount mentioned above.

3. That the Rev. W. J. Darby, D.D., as Corresponding Delegate of the Alliance, is most cordially received, and that Tuesday morning, 9.30 o'clock, be fixed as the time to present the fraternal greetings of the Alliance to the General Assembly.

We have also examined with much care the paper referred to us looking to the federation of the churches holding the Presbyterian System,

and asking you to appoint a committee to co-operate with committees from other General Assemblies and General Synods to mature a plan to be presented to all the bodies concerned for their action. This matter was before the Assembly of 1891, and its action was then not favorable; but since that time such action has been taken by the committees having in charge this very important and very desirable work as to remove the objections then raised by the Assembly, and we are firmly persuaded that could such a movement be brought to a successful issue incalculable good would accrue to the common cause of Presbyterianism, and therefore to the cause of the blessed Master. We therefore recommend that you appoint the committee so courteously asked for, and would respectfully suggest the following brethren to compose said committee: Rev. A. B. Miller, D.D., Rev. J. M. Hubbert, D.D., Rev. W. J. Darby, D.D., Ruling Elders John Frizzell and J. B. Cowan.

We recommend that your Stated Clerk forward by telegraph the Christian greetings of the Assembly to the Assemblies of the churches with whom you are in correspondence.

Respectfully submitted. G. T. STAINBACK, *Chairman.*

REPORT OF COMMITTEE ON CORRESPONDENCE (No 2).

The papers referred to us we find to be—

1. A certificate of the appointment by the Executive Committee of the "National Reform Association" of the Rev. A. B. Miller, D.D., of Waynesburg, Pa., to be the Representative of the Association to the General Assembly to present to you the nature of its work and its claims upon your sympathy and co-operation.

2. The credentials of the Rev. J. Y. Meadows as Corresponding Delegate on behalf of the General Assembly of the Cumberland Presbyterian church (Colored), bearing the Christian greetings of that body to the General Assembly.

We recommend that these brethren be most cordially received, and that 4 o'clock this afternoon be the hour in which the Assembly will hear Dr. Miller in the presentation of his cause.

3. That the Rev. J. Y. Meadows be invited to address the Assembly immediately after the reading of the Minutes on Wednesday morning.

G. T. STAINBACK, *Chairman.*

PLACE OF NEXT MEETING.

Eugene City, Oregon, was selected as the place for the next meeting of the General Assembly.

ADDRESS OF REV. DR. W. J. DARBY.

In accordance with the recommendation of Report No. 1 of the Committee on Correspondence, Rev. W. J. Darby, D.D., Corresponding delegate from the "Alliance of the Reformed Churches throughout the World holding the Presbyterian System," addressed the General Assembly.

REPORT OF COMMITTEE ON MINISTERIAL RELIEF.

The Committee on Ministerial Relief submitted their report, which was adopted, and is as follows:

Your Committee on Ministerial Relief have carefully considered the Report of the Board of Ministerial Relief referred to us and also have had W. J. Darby, D.D., corresponding secretary of said Board, in conference with us, and that we have fully informed ourselves in reference to the work and condition of the Board and we are pleased to report the work in a healthful condition. No work has assumed so rapidly a commanding position in the church as this, which speaks well both for the energy and faithfulness of the Board and the generosity of the Church. We are sure under the present management we will soon have means sufficient to meet all the demands upon the Church for help by our needy aged ministers and their helpless families. This desired result will not be attained however unless the whole Church comes up to the help of the Board.

We recommend—

(1) That the election of W. J. Darby, D.D., as a member of the Board instead of Rev. A. G. Bergen, resigned, be confirmed.

(2) That the form of application for aid be amended as desired by the Board in their report.

(3) That the order of a previous Assembly setting apart ten per cent. of the gross annual receipts of the Board as a permanent fund be revoked. This action to take effect at once, applying to the year just closed.

(4) That the Board of Ministerial Relief be instructed to solicit funds to permanently endow the Thornton Home. In the judgment of the committee many people of means can be influenced to make such gifts who could not be induced to endow either schools or colleges and thus accomplish this work without detriment to any other interest of our Church.

(5) That the permanent fund now on hand be transferred to the endowment fund of the Thornton Home, the interest only to be used in the support of the Home.

(6) That in view of the success of the Board in raising money from the Sabbath-schools and Christian Endeavor Societies that this department of the work be kept prominent before the Church.

(7) That the report of the Board be printed for general distribution.

In view of the fact that our beloved Church has to be planted and sustained by the preachers without adequate support, we have many noble men who have given their all to the cause, who in old age are poor and need help. Brethren, we thank God that our Church is not unmindful of the debt we owe these men. Let us make them comfortable in their closing years and care for their wives and children made helpless by their sacrifices for the Church. Let every member of the Church do something for the Board of Ministerial Relief during the next year.

N. W. MOTHERAL, *Chairman.*

REPORT OF COMMITTEE ON JUDICIARY (No. 1).

The Committee on Judiciary presented Report No. I, which was adopted, and is as follows:

The Committee on Judiciary have carefully considered the complaint of Rev. E. T. Bowers against the action of the Synod of Missouri, and report thereon as follows:

At the meeting of Lexington Presbytery, October 1, 1892, the following preamble and resolution were adopted:

WHEREAS, The Session of the Kansas City congregation of the Cumberland Presbyterian Church, on October 20, 1891, did charge the Rev. E. T. Bowers with gross immorality and conduct unbecoming a minister of the gospel; and

WHEREAS, On November 4, 1891, the Presbytery met in Kansas City and having patiently heard the evidence, for and against the said charges, and the pleadings of the prosecution and defense, did sustain the charge made by said Session; and

WHEREAS, Said Presbytery did by vote suspend the said Bowers from all the functions of the gospel ministry indefinitely, or at the pleasure or will of the court; and

WHEREAS, This suspension has been in force for nearly eleven months, thus vindicating the law and good government; and

WHEREAS, During all this time the said Bowers' conduct has been that of a Christian gentleman; therefore,

Resolved, That the suspension of said Rev. E. T. Bowers now terminate, and that he be restored to all the functions of the gospel ministry, from which he was and is now suspended.

The vote adopting this preamble and resolution was: Ministers 19 and Ruling Elders 29, altogether 48 for; and Ministers 11 and Ruling Elders 6, altogether 17 against.

From this action an appeal was prosecuted to the Synod of Missouri and on October 13, 1892, the matter was disposed of by the Synod by the adoption of the following report signed by two members of the Committee on Judiciary:

Your committee have carefully examined the grounds of the appeal from Lexington Presbytery, made by Rev. L. F. L. Clemens, touching the action and decision of said Presbytery at its recent session, wherein it restored the Rev. E. T. Bowers to the office and functions of the gospel ministry. Your committee have not challenged the regularity of the appeal.

The undersigned members of the committee report the following:

Section 59 of the Discipline of our Church requires that "the court shall be satisfied as to the reality of the repentance of an offender" before he can be restored. The first count in the appeal is that Rev. E. T. Bowers, who was suspended by an action of Lexington Presbytery November 4, 1891, was restored by the same Presbytery October 1, 1892, "without repentance." The records of the Presbytery show that Rev. Dr. Bowers gave no evidence of repentance, but at said session in his request for restoration denies that he was guilty as had been charged. We therefore believe that

this ground of appeal was well taken and recommend that the action of the Presbytery be reversed.

The complaint presents several grounds upon which a reversal of the action of the Synod is asked, among them the following:

1. It is insisted that the party appealing to the Synod had no right to do so, because it is said he was not a party to the cause and Sections 80 and 81 of the Rules of Discipline are referred to in support of this position.

2. That the interpretation placed upon Section 59 of the Rules of Discipline by the Synod was too literal and stringent and was erroneous; that in the matter of restoration the Presbytery may exercise its discretion and for any sufficient reason other than repentance may restore.

We notice these two only, as we are of opinion that the case must turn upon their determination.

Upon the case as thus presented we are of opinion—

1. That the right of appeal is confined by Section 80 of the Rules of Discipline to "either of the parties to the proceedings" and that the proper remedy to have been pursued by a member of Lexington Presbytery to bring the matter properly before the Synod was by complaint as provided for in Section 89 of the Rules of Discipline.

2. Although not so stated yet the Synod may have properly regarded what was called an appeal as in fact a complaint, and for this reason we have considered the second ground of complaint and are of opinion that a Church Court may restore in the exercise of a sound discretion for any sufficient reason other than repentance of the offender. For example, if satisfied that the accused was innocent, either from newly discovered testimony or other good reason, it may restore. If satisfied that the punishment has been sufficient, then it may restore; and, generally, it may restore whenever any good reason, in its opinion, exists for so doing. The provisions of Section 59 of the Rules of Discipline are for the ordinary cases which arise and are based upon the presumption that the party was guilty and that the reason for restoration is the repentance of the offended.

We, therefore, recommend that the action of the Synod of Missouri in this case, October 13, 1892, be reversed and set aside, the action of Lexington Presbytery, October 1, 1892, be declared in full force and effect, and that Rev. E. T. Bowers was thereby restored to all the rights and privileges of a gospel minister.

JOHN FRIZZELL, *Chairman.*

UNFINISHED BUSINESS - REPORT OF COMMITTEE ON MISSIONS.

The report of the Committee on Missions was taken up, amended, and adopted, as follows:

To the General Assembly of the Cumberland Presbyterian Church:

Christ himself declared that "The field is the world." The Savior meant more by the words "field" and "world" than the limits of the Roman Empire, or the then known world.

It was centuries after Christ's day before the earth in all its lands and waters became known to man. But now all oceans and seas have been explored, and all lands located. "The field" can now be specified in geographical nomenclature.

This field is limited only by the abodes of man. The work of cultivation has no bounds except the gospel age, however long or short that may be. The present generation is under obligation to undertake in its time the cultivation of the whole field.

The dry land of the earth contains about 52,000,000 square miles. Something over 33,000,000 square miles are said to be inhabited. On an average there are about forty-five human beings to every square mile of inhabited territory.

Distant lands, once almost inaccessible, are now near at hand. Oceans have been shortened by the steamship, and continents have been compressed by the steam car. All parts of the field are now brought close together.

Sandy deserts, valleys, and mountains do not now stand in the way of man's enterprise. Their various mysteries are being unraveled and spread before the eyes of the world. Even "Darkest Africa" is beginning to give up her secrets. The door to exclusive China has been swung wide open; the Ottoman Empire cannot keep out the light. The key seems at length to have entered the lock which will unbolt the door that has heretofore kept the gospel out of Tibet.

The isles of the sea are waiting on the land. In short, it may be said that there is not a land that is not already, or about to be, opened to the gospel.

The total number of inhabitants on the earth is about 1,500,000,000 Some statisticians make the number less, and some make it more. Place this vast crowd in marching order, double file, ten feet apart, and let it move three miles per hour, and more than fifty years would be required for it to pass a given point. But before that time could come another generation would be in line, so the procession would never end.

It is not possible to array these people into marching line such as has been described, but it is nevertheless true that these mighty throngs are

marching more rapidly than has been mentioned. Every thirty or thirty-five years the whole number of 1,500,000,000 march into eternity. Tramp, tramp, tramp! the earth tramps to its grave three times in a century. Since the days of our Lord it is estimated that 30,000,000,000 of human souls have been summoned into the eternal world.

Only about one third of the accountable human beings now living have heard that Christ came into the world and died that they might have life. This state of things is true eighteen hundred years after the Lord gave the command for his Church to go "into all the world and preach the gospel to every creature." Somebody will certainly have to answer for a failure to perform a duty. Can the Cumberland Presbyterian church escape a rebuke from the Master who has spread before her such golden opportunities for service in the foreign field?

We have carefully examined the Annual Report of the Board, which was referred to us. The Rev. J. W. Morrow has resigned his position as a member of the Board, and Mr. H. P. Coulter, of St. Louis, has been elected to fill the vacancy. We recommend that you approve Mr. Coulter's election.

It gives your committee pleasure to note that the Superintendent and Corresponding Secretary have discharged their duties in a praiseworthy manner during the year. It is with regret that we note that the Rev. S. Finis King has resigned his position as Corresponding Secretary. The Board have secured Mr. W. J. Brasfield, of Marshall, Mo., to fill the vacancy. We recommend that you approve the selection.

Our foreign work is not what a church of 170,000 members ought to have. The little struggling bands in Japan and Mexico have done well against great odds.

The Japan work shows a net gain of ten per cent in membership over last year. New points have been occupied, among which is Tsu, a city of 30,000. The mission calls for more missionaries to man the field already occupied. The Board should strive to find and send to Japan this year at least five ordained missionaries, and in doing so it should not refuse to send a man on the ground that he is unmarried. This increase is made the more imperative from the fact that the Rev. A. D. Hail, D.D., has determined to leave Japan, having accepted a professorship in our Theological Seminary.

Your committee express regret that the mission is to lose such an able and tried laborer. The name of A. D. Hail will ever live in the history of the mission work of our church in the Sunrise Kingdom.

We regret that the Rev. A. H. Whatley has been compelled, on account of the continued illness of his little son, to withdraw from Mexico. We note, however, with pleasure that Rev. F. P. Lawyer and wife, against great disadvantages, have made advancement in the work. The whole General Assembly are rejoiced that the Mexico mission is soon to be increased in the persons of the two young brethren consecrated last Friday evening for this field.

We most earnestly recommend—

1. That you instruct your Board to thoroughly investigate Indo-China as a mission field, and should the opening in that country for such work

appear to be very promising that you further instruct your Board to take the necessary steps to open a mission there as soon as possible.

2. That in every Synod where it is practicable a Synodical missionary be employed. We most heartily commend the plans used by the Synods of Pacific, Illinois and Texas for the extension of the work in their own bounds. All the larger Synods should be encouraged to take care of the work in their own limits, and still send offerings to the Board for the purpose of helping weaker Synods.

3. That you direct the Presbyteries to see that the mandates of the General Assembly are obeyed, and that to this end earnest efforts be made to secure offerings from a much larger number of congregations. To further develop the Presbyterial work we ask that you indorse the seventh recommendation in the Board's report.

4. That the Missionary Rally, under the direction of the Board, on the day preceding the opening of the General Assembly be made a permanent arrangement; and that you urge the Synods to continue the Missionary Days in connection with their annual meetings; that you also urge the Presbyteries to hold Missionary Days in connection with all their regular meetings.

5. That you urge the Presbyteries to encourage their congregations to take up the Monthly Concert of missions which the Board is now having prepared and propose to furnish free to all congregations that will use it. The great need of the Church is education. The Board through the Monthly Concert is undertaking to inform the people on the great missionary question, and pastors and Sessions should adopt this method.

6. That you again call the attention of the Presbyteries to the work of Church Erection, and through the Presbyteries urge the congregations to respond liberally to the calls of this cause in the time set apart by the General Assembly; and that you suggest to the Board the advisability of using Church Erection money exclusively for the purpose of planting new churches.

7. That you instruct the Board to restore the fund, which has been known as the "Colorado Fund," as a liability, and upon the order of Rocky Mountain Presbytery that the Board be and is hereby directed to reinvest said fund in the city of Colorado Springs, Colorado, for the benefit of the congregation at that place.

8. That you commend the Board for its enterprise in raising the money to make the second payment on the Chicago lot, and that you direct the Board to begin in time to secure the balance of the money needed to make the last payment on said lot.

9. That you commend the action of the Board in undertaking work in San Francisco, and that the church at large be urged to assist the San Francisco work to a speedy completion.

10. That you direct the Board to so arrange the financial exhibit of congregations that all offerings, whether for general or special causes, shall be shown together, provided the special causes shall have the approval of the Board and shall have been recommended by it to the Church at large.

11. That you hereby define the sources from which the Board of Missions and Church Erection and Woman's Board are authorized to

gather funds to be as follows: The Woman's Board shall secure funds from their auxiliary societies both of the elder and younger women, Children's Bands, and junior Young People's Societies of Christian Endeavor. The Board of Missions and Church Erection shall have as its source from which to secure funds the regular congregational channels which shall include the Sunday-schools and senior societies of Christian Endeavor.

12. That you appoint a committee of three, whose expense shall be borne equally by the two Boards, to thoroughly investigate the practicability of consolidating the Board of Missions and Church Erection, and the Woman's Board, the membership of the consolidated Board to be composed of both men and women; and that said committee be instructed to report to the General Assembly of 1894; and should such a course commend itself to the committee it shall also be its duty to submit a general plan of work for the new Board.

13. That you discourage the taking of public collections on Presbyterial and Synodical occasions, when the money is to go to either one of the Boards or divided between them for the work under their direction.

14. That the Board be and is hereby directed to thoroughly investigate the openings for mission work among the colored people of our own country, and the Board is further directed to begin such a work should the openings and funds at their disposal justify, and whether such work shall have been inaugurated or not the Board is hereby requested to lay the full results of its investigations before the next General Assembly.

J. B. HAIL, *Chairman.*

Rev. J. V. Stephens, Rev. P. R. Danley, D.D., and T. M. Hurst were appointed the committee provided for in the foregoing report.

REPORT OF COMMITTEE ON PUBLICATION.

The Committee on Publication submitted its report, pending the consideration of which the special order provided for in Report No. 2 of the Committee on Correspondence was taken up, and Rev. A. B. Miller, D.D., representative of the National Reform Association, addressed the General Assembly, to which, at the request of the Moderator, Ruling Elder A. E. Turner made an appropriate response.

RESOLUTION ON THE FOREGOING.

The following resolution, offered by Rev. G. T. Stainback, D.D., was adopted:

Resolved, That this General Assembly has listened with great pleasure to the address of Rev. A. B. Miller, D D., the representative of the National Reform Association, and hereby pledge to the Association the sympathy and co-operation of the Church in the furtherance of its beneficent aims.

UNFINISHED BUSINESS—PUBLICATION.

TUESDAY, May 23, 8 o'clock P.M.

UNFINISHED BUSINESS—PUBLICATION.

The General Assembly met and resumed the consideration of the report of the Committee on Publication, pending the discussion thereon the General Assembly adjourned till 8.30 o'clock to-morrow morning, and closed with prayer.

SIXTH DAY.

WEDNESDAY, May 24, 8.30 o'clock A.M.

The General Assembly met and was opened with prayer.

One half hour was spent in devotional exercises.

The Minutes of yesterday's sessions were read and approved.

FRATERNAL GREETING.

In accordance with the recommendation of Report No. 2 of the Committee on Correspondence, Rev. J. Y. Meadows, corresponding delegate of the General Assembly of the Cumberland Presbyterian Church (Colored), addressed the General Assembly, to which, at the request of the Moderator, Ruling Elder John Frizzell made an appropriate response.

REPORT OF DELEGATES TO PAN-PRESBYTERIAN ALLIANCE.

Delegates appointed by the last General Assembly to attend the meeting of the "Alliance of Reformed Churches" at Toronto, Canada, last September, submitted the following report, which was adopted:

To the General Assembly of the Cumberland Presbyterian Church:

BRETHREN: — The undersigned delegates appointed by your honorable body to attend the meeting of the Pan-Presbyterian Alliance in Toronto,

Canada, last September, would report that they attended this meeting during almost the entire session, and voted upon all questions that came before them.

W. H. BLACK,
D. E. BUSHNELL,
F. R. EARLE,
J. B. GREEN,
B. G. MITCHELL,
A. W. WHITE,
C. B. HOLLAND,
A. E. TURNER.

On motion the privileges of the floor were granted to delegates to the Alliance, who were present, to address the General Assembly, whereupon Rev. D. E. Bushnell, D.D., and Ruling Elder A. E. Turner made appropriate remarks.

REPORT OF COMMITTEE ON JUDICIARY (Nos. 2, 3, 4, 5).

The Committee on Judiciary submitted reports Nos. 2, 3, 4, and 5, which were adopted, and are as follows:

REPORT No. 2.—The Committee on Judiciary have considered certain questions of Church law propounded by some one unknown to the committee, as no name is signed to the paper referred to us.

We respectfully ask to be discharged from the further consideration of this matter. JOHN FRIZZELL, *Chairman.*

REPORT No. 3.—The Committee on Judiciary have considered the paper referred to them from Rev. N. J. Crawford in relation to the title to Church property in the Indian Territory, and recommend the adoption of the following resolution:

Resolved, That the General Assembly's Board of Trustees be and they are hereby requested to look after the property in the Indian Territory belonging to the Cumberland Presbyterian Church or in which it has an interest, and to take such action as may seem best to preserve the same to the Church and for its use. JOHN FRIZZELL, *Chairman.*

REPORT No. 4.—The Committee on Judiciary have considered a paper from Kansas Presbytery asking the General Assembly to define the relation and power of the General Assembly's Board of Missions to a congregation under the care of a Presbytery.

Under Section 13, "General Regulations," the General Assembly has the power, and it is perhaps its duty, to answer such questions when properly brought before it by an inferior court of the Church.

We therefore recommend that the General Assembly answer as follows:

Mission Churches not under the care of any particular Presbytery are, in all respects, managed and controlled by the Board of Missions. When a Mission Church is placed under the control of a Presbytery and becomes a constituent thereof, then as to all questions of discipline the Presbytery has control, but as to the supplying of the pulpit the Board of Missions should control as long as it remains a Mission Church, receiving

financial assistance from the Board. In all cases, however, care should be taken that no friction arises between the Board and the Presbytery.

JOHN FRIZZELL, *Chairman.*

REPORT No. 5.—The Committee on Judiciary have carefully examined the matter submitted to them in the appeal of Indiana Presbytery against an action of Indiana Synod, and respectfully report thereon as follows:

Indiana Presbytery appointed a commission consisting of four ministers to ordain a licentiate under the care of the Presbytery. The commission was to meet at Evansville at a time to suit the licentiate, who at the time was passing through that place on his way from school to a distant Church of which he was to take charge.

At this meeting but two of the commissioners were present, but, calling to their assistance a minister belonging to the Presbytery who was present, the three proceeded to the work assigned and ordained the young man to the whole work of the ministry.

In the report to the Presbytery, signed by the three thus participating in the ordination, all the facts were stated, and the Presbytery by adopting the report approved the action.

At a meeting of Indiana Synod the Minutes of this meeting of Presbytery were reviewed and the committee reported that they were in regular order except as to the ordination in question, the committee holding that this action was not constitutional. The report of the committee was adopted, and from the action of the Synod adopting said report, Indiana Presbytery, through a committee appointed for the purpose, prosecutes an appeal to the General Assembly.

We are of opinion that the action of the commission of which complaint is made was at most only an irregularity which could be cured, and in this instance was cured, by the subsequent action of the Presbytery, and that, therefore, the action of the Synod holding said act unconstitutional and therefore void, was erroneous and should be reversed.

We recommend that the appeal be sustained and the action of the Synod be reversed.

JOHN FRIZZELL, *Chairman.*

[The chairman of the committee stated that Ruling Elder J. C. McClurkin, a commissioner from Indiana Presbytery, and a member of the Judiciary Committee, did not act with the committee in this case.]

REPORT OF COMMITTEE ON JUDICIARY (No. 6).

The Committee on Judiciary presented report No. 6, pending the consideration of which the special order was taken up, and

THE COMMITTEE ON EDUCATION

presented the following report, which was adopted:

The Committee on Education would respectfully report:

Previous deliverances of your body seem to have established all the principles necessary to the maintenance and development of a thorough educational system among our people. If the report on education adopted by the last General Assembly could be emphasized to its full value, we think little else could be desired. We desire to reiterate the sentiment

that "just now we need most of all largely increased endowment and equipment for our existing universities and colleges." It need not be expected that these institutions will continue to do such work as they have done in the past unless their facilities are made commensurate with the progress of the business world. We must see to it that our schools keep up with the times and furnish advantages that are fairly equal to those offered by other denominational institutions.

THE INTER-COLLEGE ASSOCIATION.

We are gratified to have placed in our hands the first report of this association, which makes a tabulated statement of the condition of the six institutions which are members of the association, viz.: Cumberland University, Waynesburg College, Lincoln University, Bethel College, Trinity University, and Missouri Valley College. The report shows the following totals: Literary students, 1,332; law students, 81; theological students, 124 (including those not in theological seminary but looking to the ministry); professors employed, 38; tutors, 20; total expenses for the year, $46,500; receipts, $47,500; productive endowment, $268,000; non-productive endowment, $145,000; addition to endowment during the year, $8,000; value of buildings and grounds, $260,000. We recommend that the table be published in the appendix to the General Assembly's Minutes. The association will hold its next meeting at Lincoln University next month.

SPECIAL REPORTS.

Cumberland University makes its usual satisfactory report. It appears that rapid progress is being made on the foundation of the new building and that funds are on hand to meet the expense of laying it. The Board has also about $25,000 to be used toward the superstructure. It is hoped and believed that this enterprise will enlist the interest and support of friends and graduates of the institution. The only item within the province of this committee calling for action by the General Assembly is the election of Mr. I. W. P. Buchanan as Professor of Mathematics. He is to be associated with the present professor, Dr. A. H. Buchanan, it having been found that the duties of this chair require the services of two men. We recommend that you approve this action.

We recommend that the report of the visiting committee be published in the General Assembly's Minutes.

Trinity University reports a prosperous year. The principal item will be found tabulated in statistical report already referred to.

Lincoln University makes its report through the Inter-College Association.

We recommend that for such institutions as are represented in that association, except Cumberland University, no report be required further than that given in the statistical report by the Secretary of the Association. We suggest that, if the Stated Clerk be instructed to furnish blanks to our schools as thereinafter recommended, the Inter-College Secretary be requested to use such blanks in securing data from institutions within his jurisdiction.

Parson's College, Veal Station, Texas, reports 306 students and five

preparing for the ministry, two of whom graduated in A.B. course this year. W. A. Erwin is president, and W. E. Green, business manager.

Union Female College suspended last December on account of financial pressure. Prof. Eshman, of Huntsville, Ala., who comes highly recommended, will take charge of the school next autumn. The rooms have been recently refitted and comfortably furnished. The property, worth $35,000, is free of debt and belongs to Mississippi Synod.

President J. S. Howard reports that *Texas Female Seminary*, established in 1890, at Weatherford, has property valued at $30,000, a corps of nine officers and teachers and is carrying all the departments of a first-class seminary.

Auburn Seminary, Auburn, Ky., is owned and controlled by Kentucky Synod and occupies property valued at $10,000. A boarding hall is also maintained. Prof. P. A. Lyon, the principal, is supported by a sufficient corps of experienced teachers to afford instruction in a full preparatory course. During the one year this school has been in operation it has enrolled 179 pupils and the prospects for growth are flattering. This institution is co-educational and is the only school under Cumberland Presbyterian control in Kentucky.

Arkansas Cumberland College at Clarksville is doing a good work and furnishes a full college course.

No reports are at hand from Cumberland Female College, Southern Illinois College, Buffalo Gap College, or Robert Donnell Presbyterial High School. It is likely that there are other schools in the church from which no data are now obtainable.

In order to secure uniformity and promptness in reports from all our schools we recommend that you instruct the Stated Clerk to prepare a blank involving the items named in the Inter-College report, to be mailed each year to every educational institution under the control of the Church.

THE BOARD OF EDUCATION.

The twelfth Annual Report is before us and clearly sets forth the condition and needs of the work:

1. We recommend that it be published in your Minutes.

2. We recommend that you approve the form of Probationer's receipt and pledge presented in the printed report.

3. Four Synods are shown to have received more money from the Board than they have contributed. We urge such Synods to increase their contributions beyond their receipts from the Board.

4. We recommend that Presbyteries be instructed to require reports from congregations stating whether or not they have taken collections for the cause of education.

5. We recommend that the Board consider the advisability of appointing Presbyterial secretaries whose duty it shall be to look after the interest of education within their respective bounds and that so far as practicable the secretary of the Board be urged to attend Presbyteries and Synods in order to present the interests of the work under his charge.

A. E. TURNER, *Chairman.*

REPORT OF COMMITTEE ON JUDICIARY (No. 6).

The General Assembly resumed the consideration of report No. 6, of the Committee on Judiciary, which was adopted, as follows:

The Committee on Judiciary have considered the appeal of Rev. R. R. Crockett from the action of Texas Synod.

It appears that for some years Larissa Church, under the care of Trinity Presbytery, had two places of worship, one at Larissa in a church house belonging to said church, and the other at Mt. Selman in a school house. After a while the Church session attempted to remove the church to Mt. Selman and, as it is claimed, did so by consent; the church house at Larissa was sold and the records and books and other property transferred to Mt. Selman where the congregation continued to worship under the name of Larissa Church.

Some disaffection growing up, the question was carried to the Presbytery and it decided that Larissa Congregation did not then exist at Larissa, and the name was subsequently changed to Mt. Selman. In the meantime about twenty of the members withdrew by letter and joined the Alpine Church in the neighborhood. Matters thus remained until the meeting of the Presbytery, July, 1891, when an order was made permitting the members of Alpine Congregation who had formerly belonged to Larissa Church to withdraw, and "re-establish" themselves as a Congregation at Larissa under the name of Larissa Church.

This having been done the question arose as to whether the Larissa organization was entitled to the day of worship, one Sunday in the month, formerly used by the Larissa Church, and to a part of the property turned over to the Church at Mt. Selman. The question being considered by the Presbytery it decided that the Larissa organization was entitled to the day of worship, the Church records, and one half, in value, of the property turned over to the Mt. Selman organization.

From this action an appeal was taken to the Synod, and the appeal not having been properly prosecuted was dismissed or not considered. The Synod however did take jurisdiction under the power of review, and in reviewing the Minutes of the Presbytery the Synodical Committee recommended that the action of the Presbytery be reversed.

Upon consideration of this report in the Synod, an amendment to the report having been offered sustaining the action of the Presbytery, "a motion prevailed to table the report indefinitely," as is stated in the record. The substance of this action was to postpone indefinitely the report and thus sustain and leave in force the action of the Presbytery of which complaint is made.

From this action of the Synod an appeal is prosecuted to the General Assembly. Was the action of the Presbytery thus left in force right and proper under the circumstances?

We are of opinion that upon withdrawing from the Larissa Church at Mt. Selman, the removal to that point having been approved by the Presbytery, the members lost all rights as members of the Larissa Church whether the same is to be considered as located at that time at Larissa or

Mt Selman. That having thus lost their rights, the subsequent action of Presbytery authorizing them to re-establish themselves as a Church at Larissa could not and did not restore any of the rights thus lost as against those who had secured vested rights in the property, etc., in question.

Therefore, that the action of the Presbytery giving them the day of worship, the Church records, and one half in value of the property was erroneous and should have been reversed and set aside by the Synod and that it was an error in the Synod not to have done so, and hence we recommend that the appeal be sustained and that the action of Presbytery be set aside.

JOHN FRIZZELL, *Chairman.*

[The Chairman of the committee stated that Rev. W. D. Wear, a member of the Judiciary Committee and a member of Texas Synod, was not present during decision of this case.]

UNFINISHED BUSINESS—OVERTURES.

The unfinished business was taken up, which was the consideration of report No. 1, of the Committee on Overtures; pending the discussion thereon the General Assembly took recess till 2.30 o'clock P.M.

WEDNESDAY, May 24, 2.30 P.M.

COMMITTEE ON OVERTURES.

The General Assembly resumed consideration of report No. 1, of the Committee on Overtures, which was adopted, and is as follows:

REPORT OF THE COMMITTEE ON OVERTURES (No. 1).

1. A memorial from the Albion Presbytery requests that the General Assembly order that the general statistics of the General Assembly be made to read: "Resident," "Non-resident," "Total Membership," and that congregations be permitted to pay Presbyterial dues on resident members only. We recommend that this request be granted.

2. The Indiana Presbytery requests that the General Assembly name four Children's Days, one for Publication, one for Education, and two for Missions. The same memorial asks the General Assembly to dispense with the office of General Superintendent of Sunday-schools, and that Children's Day collections for Publication be applied on the salary of a Sunday-school editor. We recommend that these requests be not granted.

3. The Sacramento Presbytery memorializes the General Assembly asking us to restore to the statistical blanks spaces to be filled by the Churches with contributions to all our enterprises of the Church, and to provide space also for Sunday-school statistics. We recommend that this request be granted. Also a column giving the number of copies of the *Cumberland Presbyterian* taken in each congregation, also to indicate parsonages by a "star."

4. A memorial from Sacramento Presbytery asks that the work of gathering Sunday-school statistics be made the duty of the Stated Clerk of the General Assembly, and that the Superintendent of Sunday-schools be relieved of that responsibility. The Elk Presbytery asks that the General Assembly consolidate the offices of the Stated Clerk of the General Assembly and General Superintendent of Sunday-schools. We recommend that the prayers of these memorialists be not granted.

W. S. DANLEY, *Chairman.*

REPORT OF COMMISSION ON COLORED SCHOOL.

The report of the Commission on the Colored School was read and referred to the Committee on Overtures.

REPORT OF COMMITTEE ON OVERTURES.

The Committee on Overtures presented reports Nos. 2, 3, 4, and 5, which were read and adopted, as follows:

REPORT No. 2.—Your committee have carefully considered the various memorials submitted to them asking deliverances on the questions of the eligibility of women to the offices of ruling elder and deacon, and also for or against the deliverance made at Memphis in 1892, on this subject, and would most respectfully report the following preamble and resolutions as a proper solution to this question, to wit:

WHEREAS, There exist throughout the bounds of our denomination honest and earnest differences of opinion as to the eligibility of women to the offices of ruling elder and deacon, and also concerning the binding effect of the deliverance on that subject made by the General Assembly in Memphis in 1892; therefore be it

Resolved, By this General Assembly, in order to settle said matters in a manner satisfactory to the whole Church, but without intending hereby to give an expression *pro* or *con* touching this question, the following two sets of amendments to the Constitution be and are hereby submitted to the Presbyteries for their adoption or rejection to be voted on and reported to the Stated Clerk of the General Assembly by or before the meeting of the General Assembly of 1894, to wit:

First set of proposed amendments—

That sections eighteen (18) and twenty (20) of the Constitution be amended by substituting the word "persons" for the word "men."

That section twenty-three (23) of the Constitution be amended by striking out the same, as it now stands, and inserting in lieu thereof the following:

"Any member of the Church, male or female, of mature age, and in full communion, shall be eligible to the office of ruling elder or deacon."

Second set of proposed amendments—

That section eighteen (18), second clause, be amended by striking out the word "men" and inserting in lieu thereof the words "males only;" and that section twenty (20), first clause, be amended by striking out the word "men" and inserting in lieu thereof the words "males only."

Resolved, further, That the different Churches are hereby requested not to ordain other female ruling elders until final action on these amendments be taken.

W. S. DANLEY, *Chairman.*

REPORT No. 3.—A resolution has been referred to us asking that a committee of one from each Synod be appointed to consider the propriety of establishing an Orphans' Home for the Cumberland Presbyterian Church. We recommend that you appoint such a committee, and grant it power to inaugurate such measures as it may deem wise in regard to this matter.

W. S. DANLEY, *Chairman.*

REPORT No. 4.—The attention of the General Assembly is called to the Children's Home Society, Rev. M. V. B. Van Arsdale. General Superintendent, 230 La Salle street, Chicago. The Society is doing a noble work in finding homes for homeless children in many States of this country, and in educating the people in regard to this important subject through addresses in churches, and by means of suitable literature, in particular *The Children's Home Finder*, a journal of 24 pages. We commend the Society and its mission to all of our people.

W. S. DANLEY, *Chairman.*

REPORT No. 5.—We have had referred to us, and have carefully considered, a communication addressed to this General Assembly by the Executive Committee of a Peace Conference, held in New York, in December, 1891, requesting you to join in addressing to the Christian nations of the world a petition, asking that "they take measures to banish warfare as the means of settling strifes that arise between nations, and to substitute a more rational and Christian tribunal." We heartily commend and indorse the cause thus represented, and respectfully recommend that you re-affirm your deliverance of 1891 on this subject, and request your Stated Clerk to communicate to the above named executive committee a report of this action of your venerable body.

Your committee have had referred to them a memorial from Kansas Synod asking the General Assembly to submit the question of rotation in the eldership to the Presbyteries for constitutional amendment. Inasmuch as this question was carefully considered by the General Assembly of 1890, and as far as we are aware there is no general demand for the agitation of this subject at the present time, we would most respectfully recommend that the prayer of your memorialists be not granted

W. S. DANLEY, *Chairman.*

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

The Committee on Sabbath Observance presented report No. 2, which was adopted, and is as follows:

Your committee most earnestly sympathize with the great movement of the Christian Churches of America to promote general reform in the observance of the Sabbath day. The fact is agreed upon by all careful students of the subject that nothing conserves the interests of moral and spiritual progress so well as the faithful observance of the law of the

Sabbath, and yet it is equally true that not even in the best Christian communities is the Sabbath day properly observed. Many of our preachers and officers of churches are lax in their regard for the blessed day of the Lord, in their own lives; and by their examples they corrupt the practice of other church members in this respect. As a specification upon this point, preachers make arrangements for preaching at certain places and are in the habit of traveling on the Sabbath day on the railroads to meet their appointments. Members have business on Monday at a place distant from home, and either travel all day or start Sabbath afternoon to meet the hour of business before appointed. If the preacher is compelled to travel on the Lord's day to meet his regular appointment in a distant neighborhood or town, he would do well to consider whether he is called to preach to that church. The church member who is a business man, who unnecessarily labors or travels on the Lord's day, or any one who for pleasure employs that precious time, should stop and remember that he is actually violating the holy law of God.

Your committee deliberately urge that no proper means ought to be neglected to prevent the opening of the gates of the World's Columbian Exposition on the Lord's day; but there is a matter nearer home to the body of this General Assembly which should claim most serious attention. Your Presbyteries and Synods are displaying wholesale violation of the holy day. Presbyteries meet a day or two before the Sabbath day, get through their business Saturday night, and go home on Sunday. What can we say to the world when it laughs at our zeal for the Lord's day in our Church Courts when we step out of the doors and violate the law ourselves?

That true reform must begin in the individual life of Christians is very evident in order to the extension of that reform into the wider field of the world's life and business. The hope of success will be dark or bright in proportion to our reform in practical Christian life. As American citizens as well as Christian men, we remember that the foundations of our liberty, both civil and religious, were laid in religious regard for the Sabbath day; and we view with serious alarm the persistent attempts of the enemies of the Sabbath utterly to abolish it. Christian citizens must stand for the sacred right of a rest on one day in seven of each week, as it is the hope of our Christian and civil liberty in America. If we lose the Christian Sabbath we lose our moral basis of public conduct as a body of people, and we also greatly impair, if not destroy, the force of private sense of obligation to keep the Sabbath holy.

Your committee would in your name protest against the use, and therefore abuse, of the Sabbath by members of your Churches in any manner of ordinary and unnecessary business. Much evil is done by the evident lack of conscientiousness on the part of members of the Church in the observance of the Sabbath. Further, we protest against the abuse of the Sabbath by baseball playing, by newspapers, by railroads, by the manifold forms of desecration of the Lord's day. Let us stand by this great, God-given institution now and forever.

The paper referred to us concerning the opinion of United States Attorney-General Olney upon the subject of closing the gates of the

World's Columbian Exposition on the Lord's day is practically what your committee had agreed upon before the paper came into their hands, and therefore no further word is necessary on that point.

The letter of General Secretary Knowles, of the American Sabbath Union, also referred to your committee, calls for an open and positive expression of views by this General Assembly, and we recommend that your reverend body hereby indorse the earnest and capable work of the American Sabbath Union, and pray that God's blessings may rest upon it.

M. B. DE WITT, *Chairman.*

REPORT OF COMMITTEE ON THEOLOGICAL SEMINARIES (No. 1).

The Committee on Theological Seminaries submitted the following report, No. 1, which was adopted:

Your committee would respectfully report, viz.:

The thorough training of our young men, who are candidates for the ministry, is a matter of vital importance to the whole Church. The constant call is not only for more men, but for men better qualified to meet the increasing demands of the age—men equipped in head and heart.

Our Theological School has experienced a sad loss during the year just closed, in the death of Dr. S. G. Burney, who filled the chair of Systematic Theology. The Church mourns this loss. He was esteemed and honored throughout the Church. Truly it may be said a "prince and a great man has fallen in Israel."

This school of the prophets, with very scanty means, and under adverse circumstances, has done a grand work for the Church. The endowment is larger than ever before, but far from being sufficient to thoroughly equip the school. The Church should make unceasing efforts to this end.

Two new professors have been recently elected. The Rev. Alexander D. Hail, D.D., has been elected to fill the chair of Systematic Theology. We regret the apparent necessity of calling him from his work in Japan for which he is so eminently suited. His removal from that work seems almost a calamity to the mission field. But in view of his rare scholarship, his special fitness to teach, his knowledge of other religious systems, and his knowledge of missions and mission work, it is a matter of gratitude that we have such a man to fill the chair. Rev. J. M. Hubbert, D.D, has been elected Dean of the faculty of the Theological School and Professor of Practical Theology. His eminent qualifications for this prominent and honorable position none will question. We especially commend this step, and fully expect that such plans and methods will be introduced as will prove widespread and lasting good to the Church.

The Financial Agent's report was referred to us. He desires to be released from the work as agent. We suggest that this matter be and is hereby referred to the trustees of the University and left to their pleasure.

The report of the Special Committee, appointed at the last General Assembly to raise funds and accept offers of real estate in Chicago, looking to the establishment of a seminary there, was referred to us.

(1) We recommend that the committee be continued with the same or additional instructions which you may choose to give it. And in view of

the condition of the Church and the increased promise of usefulness of the Theological School through its enlarged faculty and increased facilities, we recommend:

(2) That the forces and the interest of the Church be concentrated on the Seminary at Lebanon for the present.

(3) That you approve the election of Rev. A. D. Hail, D.D., and Rev. J. M. Hubbert, D.D.

(4) That the trustees take steps to add two more professors to the faculty as soon as the support can be assured.

(5) That the trustees consider the advisability of extending the Theological Course from two years to three years, seven months constituting a Seminary year. That probationers for the ministry be urged to complete a thorough course in literature and theology, when possible for them to do so. H. S. WILLIAMS, *Chairman.*

UNFINISHED BUSINESS—REPORT OF COMMITTEE ON PUBLICATION.

The consideration of the report of the Committee on Publication was resumed. The report was amended and adopted, as follows:

TO THE MODERATOR AND MEMBERS OF THE GENERAL ASSEMBLY.—Your Committee on Publication and Sunday-schools would report: We have had referred to us the Report of the Board of Publication from which we learn that a reduction of the debt of your Board to the amount of $3,000 has been made, while at the same time the machinery and plates of the house have been materially increased.

1. We also learn with pleasure that the book sales of the house during the year have exceeded those of any previous year, the sales amounting to $19,794.98. Yet your committee are of opinion that "by persistent advertising and other rightful means this department of the work should be pushed still more vigorously. Pastors should urge on their people the necessity of reading good books and call their attention to the many excellent books offered by our own Publishing House.

2. We learn with regret that the list of subscribers to the *Cumberland Presbyterian* has decreased by 1,680 during the year. There are 644 preachers in the denomination who do not take this paper. Three fourths of our membership read no Cumberland Presbyterian paper. Your committee are of opinion that very diligent effort should be put forth to at once increase the subscription list of the *Cumberland Presbyterian.* We recommend that you urge pastors, Presbyteries, and Synods to press vigorously the claims of this, the official organ of the Church. In accordance with the instructions of the last General Assembly the *Cumberland Presbyterian Review* has been discontinued. This we regard as the greater reason why the interests of the *Cumberland Presbyterian* should be persistently kept before the people.

3. In regard to Sunday-school literature, we note: All the said literature is doing well except *Bible Study.* We learn from reliable sources, however, that arrangements are being made to greatly improve

the character of this lesson help. We believe if those arrangements are carried out that the grade of *Bible Study* will be vastly improved and its circulation very materially increased.

4. We recommend that if it be practicable for the Board to place the general supervision editorial work of the Sunday-school literature in the hands of one man, that they so do, and that the best possible talent of the Church be employed in its production.

5. We learn that the job work of the house has increased handsomely during the year, and promises well for the future. We think steps should be taken to inform the people at large that the Publishing House is prepared to do all kinds of job work. We recommend that you advise all our Church members to patronize this department of our Publishing House. We recommend that congregations, Presbyteries, and Synods give our own Publishing House, all things being equal, the refusal of their work.

6. We approve of the idea of a Publication Day for the whole Church, and recommend that the Board be allowed for this year to solicit donations on that day, the same to be applied to extinguishing the debt on the Publishing House.

7. In view of the great importance of the Sunday-school work, we recommend:

(1) That the Advisory Committee, appointed by the last General Assembly be increased by adding Rev. W. T. Rodgers, of Nashville, and Rev. J. V. Stephens, of Bowling Green, Ky.; that on account of distance and expense, J. C. McClurkin, of Evansville, be substituted for J. W. Axtell, of Pennsylvania, and that H. H. Buquo be made a member instead of J H. Zarecor, who is a member of the Board of Publication, thus making the committee consist of J. 1 D. Hinds, T. M. Hurst, W. T. Rodgers, T. H. Perrin, J. C. McClurkin, J. V. Stephens, and H. H. Buquo.

(2) That this committee be instructed to co-operate with the Board of Publication and the General Superintendent in an active and vigorous manner for the advancement of this work.

(3) That all possible effort be made to increase the Children's Day Fund and that this Fund be sacredly used for the promotion of the Sunday-school cause, in such manner as the Board and the committee may deem best.

8. Concerning the memorial from the Sangamon Presbytery, relative to a complaint made in reference to the distribution of Sunday-school funds, we learn that the difference has already been satisfactorily adjusted. All of which is respectfully submitted. E. D. PEARSON, *Chairman.*

REPORT OF COMMITTEE ON MISSIONS AND CHURCH ERECTION (No. 3).

The Committee on Missions presented report No. 3, which was read and adopted, as follows:

The attention of your committee has been called to the fact that the Rev. H. S. Williams is listed by the Board as a missionary, and that he has been charged $600 rent the past year for the parsonage, the amount being charged against him, and then credited to him as so much received

from the Board. We recommend that you direct the Board to discontinue this debit and credit, and drop the name of the Rev. H. S. Williams from the list of missionaries. Your committee assign the following reasons for the foregoing recommendations:

1. The Board does not gain or lose a dollar in actual cash by such a debit and credit.

2. The church at Chicago pays every cent of the pastor's salary—the Board not being responsible for any part of it.

3. The Chicago work is a special work, and so recognized by the Board in that it refuses to give the congregations credit for offerings made therefor in the regular congregational exhibit.

4. The retention of the name of Brother Williams as a missionary appears from facts submitted to us to be injurious to the work in Chicago.

The importance of beginning operations in Los Angeles, Cal., and Portland, Ore., has been presented to your committee, and we recommend that you request the Board to accept these points as mission stations, and as soon as practicable appoint a missionary to each of these cities, and adopt such means to support the work as may seem best to the Board.

REPORT OF THE COMMITTEE ON FINANCE.

The Committee on Finance presented the following report, which was amended and adopted, as follows:

THE MAJORITY REPORT OF COMMITTEE ON FINANCE.

We, your Committee on Finance, submit the following:

That we have examined the report and account of your Stated Clerk, and find the same correct and in good order. The Stated Clerk deserves the highest commendation of the General Assembly and of the whole Church for the faithful and efficient manner in which he has discharged the duties of his office. The very low rates of transportation for the members and visitors of this meeting of the General Assembly deserve special mention.

There has been a marked improvement in the payment of the contingent fund on the part of our Presbyteries. With almost no exception payment in full has been made to date.

We find that the contingent fund is not sufficient to meet the expenses it is intended to defray there being due on the first of May $400 to the Board of Publication, $325 to the Pan-Presbyterian Council for 1892, and $106 44 to the Stated Clerk, making a total of $831.44 unpaid on the first of May. We recommend, therefore, that inasmuch as a copy of the Minutes is sent to every Church Session free, a tax of fifty cents be levied upon every church to meet the deficit, and that the same be collected by Presbyterial Treasurers through the Church Sessions and sent to the Stated Clerk of the General Assembly as the other contingent tax is sent.

The accounts for the traveling expenses of your two committees appointed to visit Cumberland University have been referred to us, and are as follows: Col. R. W. Pitman, $36.40; J. G. Patton, $33.00. We recommend that these amounts be paid to the parties named. We recom-

mend that your Stated Clerk be instructed to pay the Pan-Presbyterial Alliance the amount of $325.00 for the year 1892, which amount we have been assured will be entirely satisfactory.

The report of the Trustees of the General Assembly has been examined by us, and we recommend that you concur in the report.

Respectfully submitted, C. H. BELL, *Chairman.*

[The Committee on Finance was a large one, and two or three of them presented a minority report, suggesting that only 2,500 copies of the Minutes be printed. The report, however, was rejected by the General Assembly.]

The General Assembly then took recess till 8 P.M.

WEDNESDAY, May 24, 8 P.M.

REPORT OF THE COMMITTEE ON TEMPERANCE.

The Committee on Temperance presented the following report, which was adopted:

Your Committee on Temperance submit their report, as follows:

We contemplate with gratification our Church's historic attitude of courageous and aggressive warfare against all forms of intemperance and especially against the most aggravated of all forms, that of alcoholic intemperance. The scriptural reference to being "temperate in all things," can have but one construction in the light of reason, facts and cognate Scriptures, and that is, the moderate and beneficial use of things good and wholesome, and total abstinence from things bad and harmful. If any fact is capable of demonstration by bitter and voluminous human experience, it is that alcoholic beverages in all forms, are things bad and harmful, and therefore subjects of total abstinence.

The frightful power and ravages of this form of intemperance may be attributed, first, to the depraved appetite for drink which is so readily cultivated into a raging, dominating thirst; second, to drinking customs which tend toward prostituting the circles of polite society, business and public life into agencies for the promotion of intemperance; and third, to the mighty enginery of the legalized liquor traffic, whose financial interest brings into the most exhaustive application all agencies of enticement to lead men and women to drink, and whose tentacles are so enwrapt in the commercial, social, and governmental institutions of our country. All this is further aggravated by the huge monopolies and subtile methods of the traffic.

We are glad to note many signs of promise of a better day in the successes here and there of the principles of total abstinence and the overthrow of the saloon. The situation requires that the Church continue as heretofore to proclaim total abstinence as the safeguard and moral duty of the individual and to solemnly admonish the State of its duty to protect its citizens from ravages of this plague by the destruction of the liquor traffic. It is not competent for the Church to enter into any political affiliation; neither is it the right of the Church to refrain from giving its admonitions, on account of any political demonstrations, hostile or friendly.

There will be in Chicago, beginning June 5, 1893, a World's Temperance Congress. The committee of this institution, of which Thos. L. Cuyler is president and J. N. Stearns, secretary, invite this General Assembly to send seven representatives. The Congress is for deliberation only. No action of binding force will be taken. We trust that much world-wide good may result from this Congress.

We recommend—

1. That the General Assembly appoint the following representatives and alternates in the order named, to the said World's Temperance Congress, viz.: Representatives—Rev. H. S. Williams, Chicago; Dr. J. B. Cowan, Tullahoma, Tenn.; Mrs. C. H. Fields, Paducah, Ky.; Mrs. E. R. Harrington, Lincoln, Ill.; Mrs. J. C. McClurkin, Evansville, Ind.; Rev. A. B. Miller, D.D., Waynesburg, Pa.; Rev. D. T. Waynick, Troy, Tenn. Alternates—Hon. D. M. Prendergast, Mexia, Texas; J. M. Cowan, Chicago, Ill.; Mrs. J. H. Tharp, Odessa, Mo.; Mrs. H. L. Gillogly, Newman, Ill.; Mrs. J. H. Francis, Little Rock, Ark.; Rev. N. W. Motheral, Hanford, Cal.; Rev. John Miller, Princeton, New Jersey.

2. That our ministry, eldership, Sunday-school Superintendents, and teachers, and our entire membership, in all their congregational and Sunday-school work be exhorted to zeal and diligence in teaching, practicing and enforcing total abstinence from all intoxicating beverages.

3. That this General Assembly voice the Church's solemn admonition to the State of its moral obligation to protect its citizens by the legal suppression of the manufacture and sale of intoxicating beverages, by means of constitutions and statutes, plain and unequivocal, with enforced sanctions competent to secure the result.

4. The use of tobacco is a form of intemperance overshadowed by that just mentioned, but yet so ruinous in many ways considered that it should be discouraged, and especially should the young be earnestly warned and dissuaded from acquiring the habit.

S. M. TEMPLETON, *Chairman.*

REPORT OF COMMITTEE ON OVERTURES (No. 6).

The Committee on Overtures submitted report No. 6, which was adopted, and is as follows:

There has been placed in our hands a communication from the members of a commission, appointed by the General Assembly of 1890, to act in conjunction with a like commission from the Cumberland Presbyterian General Assembly, colored, taking into consideration the best interests of the colored school located at Bowling Green, Ky. From this communication we are informed that the property of said school has virtually ceased to be used for educational purposes, and that it has been in the hands of an agent for sale, but no sale has thus far been effected, awaiting a better market. We gather, also, from the paper referred to above that, pending the delay of the Trustees of the General Assembly in disposing of the property, it may become advisable to reopen the school. We recommend that the commissioners appointed at Union City in 1890 be continued, and

be hereby granted power to take such action concerning the school in question as they may deem practical and desirable.

REPORT OF COMMITTEE ON THEOLOGICAL SCHOOLS (No. 2).

The Committee on Theological Seminaries presented report No. 2, which was read and adopted as follows:

We recommend that the following named brethren be a committee appointed to visit our Theological Seminary at Lebanon, Tenn., and report to the next General Assembly: Rev. E. G. McLean, D.D., Rev. R. W. Binkley, and Ruling Elder J. D. Leach, Princeton, Ky.

REPORT OF COMMITTEE ON SYSTEMATIC BENEFICENCE.

The special Committee on Systematic Beneficence submitted the following report, which was adopted, and the recommendations were concurred in:

Your special committee to whom was referred the report of the permanent Committee on Systematic Beneficence, together with various resolutions on the same subject, would respectfully report that they have carefully considered the matters before them, and have reached the following conclusions, to-wit:

We recommend—

1. That the report of the Permanent Committee be received and spread upon the Minutes.

2. That the following recommendations of said committee be adopted:

(1) That all our ministers be instructed to heed the injunction which Paul gave to Timothy (1 Tim. vi. 17–19), and see that those to whom they minister are affectionately taught the scriptural principles and methods of giving, and are encouraged in the practice of the same.

(2) That all our elders and deacons be encouraged to make a thorough investigation of this subject, and aid their pastor in developing the congregation in systematic beneficence.

(3) That the question of systematic beneficence be fully discussed at the meetings of our various church courts and Sunday-school and elders and deacons' conventions.

(4) That every member of the church be advised to adopt the plan of regular systematic proportionate giving.

3. That Presbyteries be required at each meeting to interrogate pastors and representatives of congregations as to what progress they are making in regard to systematic beneficence, and as to whether they have complied with the orders of the General Assembly regarding regular contributions to the general enterprises of the church, and they shall see that these orders are obeyed.

4. That the Synods shall see that Presbyteries conform to the orders of the General Assembly regarding these contributions.

5. That the permanent Committee on Systematic Beneficence be for the present, at least, abolished, and in lieu thereof a Committee on Sys-

tematic Beneficence of not less than five be added to the Standing committees of the General Assembly, whose duty shall be to inform the General Assembly what Presbyteries have obeyed the orders in regard to regular contributions to the general enterprises, in what manner and to what extent such orders are obeyed, and also to collect data, and report the progress of the practice of systematic giving throughout the bounds of our church.

6. That the Board of Publication be authorized to procure and furnish to Synods, Presbyteries, Church Sessions, pastors, and others, at cost of production, such leaflets, pamphlets, and other literature as may be thought best, teaching the principles and practice of systematic beneficence.

7. That the Stated Clerk of the General Assembly be authorized to add a column to the statistical reports, in which to record the number of members in each congregation who practice systematic and proportionate giving, or, if thought best, he may provide separate reports for this purpose.

8. That at least the tenth part of the increase be recommended as the proportion to be systematically given, and that gifts over and above this amount be encouraged.

We recommend further that the bill of expenses of the permanent committee of $70.40 be allowed and paid.

H. H. BUQUO, *Chairman.*

[The Report of the Committee on Systematic Beneficence will be found in the Appendix.]

March and April, Home Missions.
May and June, Education.
July and August, Synodical Missions.

REPORT OF COMMITTEE ON DECEASED MINISTERS.

The Committee on Deceased Ministers submitted the following report, which was adopted:

Your Committee on Deceased Ministers respectfully submit the following report:

From the best information at hand we find that a large number of our fellow workers have fallen since your last meeting and are now numbered among the dead. They have answered the last roll call and are now in the General Assembly of those who have died in the Lord.

It is indeed sad to record the names of so many of our useful and consecrated servants of the Lord in our church upon the death roll. Among the long list will be seen the names of some of our best writers and teachers, namely Rev. S. G. Burney, D.D., Rev. J. R. Collinsworth, and others.

We bow with humble submission to the will of our Lord and Master, feeling sure that he will take care of his own, and send others well equipped and qualified to fill the places made vacant by these fallen and beloved brethren.

APPENDIX.

I.—MISSIONS AND CHURCH ERECTION.

ANNUAL REPORT OF THE CUMBERLAND PRESBYTERIAN BOARD OF MISSIONS AND CHURCH ERECTION, 1892–1893.

To the General Assembly of the Cumberland Presbyterian Church, convened at Little Rock, Arkansas, May, 1893.

Acknowledging God's blessing upon us, our missionaries and all our work, we present to you our first Annual Report as the consolidated Board of Missions and Church Erection.

The Work of the Year.

Only one change has occurred in the membership of the Board—Rev. J. W. Morrow, of West Port, Mo., resigned, and Mr. H. P. Coulter, of St. Louis, Mo., was elected to fill the vacancy. We ask you to approve Mr. Coulter's election.

Rev. J. H. Miller has been employed as the Superintendent of Missions and Church Erection, and Rev. S. Finis King as the Corresponding Secretary. Mr. King, who has faithfully served us in his position, has recently resigned, and Mr. W. J. Brasfield, of Marshall, Mo., has been elected to fill the vacancy.

Of the twenty-seven older city missions on our roll, all save one have been visited by some representative of the Board, where it seemed profitable to do so.

In addition to the usual publications of the Board we have made arrangements by which we expect to furnish a well prepared tract, programme, and other literature for a

Monthly Concert of Missions

Days of special prayer have been appointed, and to some extent observed. A programme for a "Missionary Day," to be held on the day previous to the meeting of this General Assembly, has been prepared.

Our receipts, as compared with last year, can be seen by the following:

A Comparative Table,

Showing number of churches contributing, and amount given for the three past years:

YEAR.	Number Contributing Churches.	Amount Given to Home Missions.	Number Contributing Churches.	Amount Given to Foreign Missions.	Number Contributing Churches.	Amount Given to Church Erection.
1891	992	$8,765 35	1138	$10,983 54	....	$2,179 89
1892	1330	13,319 99	1022	9,674 65	447	4,671 96
1893	1204	11,731 78	1133	11,933 17	440	3,865 57

While compared with results in other years the receipts may be satisfactory, yet when viewed in the light of our duty and ability they are not by any means what they should be.

We wish particularly to mention the Church's hearty and liberal response to our appeals on behalf of the Chicago work, which enabled us to meet the second payment on the day it was due.

The interest taken at many of the Presbyteries, all the Synods, and the last two General Assemblies in the discussion of the work, has been very commendable. We rejoice to see the Sunday-schools and Endeavor Societies manifesting a zeal to know more of, and expressing a desire to do more for, the extension of, Christ's kingdom. It is evident that we are arousing to better deeds for the Church in the United States, but it is not so clear that our actions portend any increase in zeal for the "regions beyond."

OUR FOREIGN WORK.

JAPAN.

Rev. A. D. Hail, D.D., says: "The churches and mission have now an excellent corps of Japanese brethren, to whom much is due for all the success that may be reported. They deserve a deep interest in the prayers and sympathies of all Christians."

"The distribution of the Foreign Missionaries engaged in the direct evangelistic work remains about the same as last year. Rev. and Mrs. G. W. Van Horn, having returned to Osaka after a few months' work at Wakayama, began immediately their new work, which has opened out with much promise of good results. Mrs. A D. Hail continues her work with the women of Osaka, West and East Churches. Rev. and Mrs. G. G. Hudson, in Osaka and North Miye Ken; Rev. A. D. Hail, Osaka, South Miye Ken and Wakayama Ken.

Miss Rena Rezner is still stationed at Yok-kai-ichi. This is simply the center from which her work radiates. Some of the out points of this work have a much larger population than the center itself, and affords a field for labor far beyond the powers of any one person to fully occupy. The work here has had both its discouragements and encouragements, its disappointments and its successes. The late Miss West, of the Woman's Christian Temperance Union, visited the place on her tour through Japan, and held very enthusiastic and largely attended temperance gatherings. Her work was greatly appreciated."

"Mrs. A. M. Drennan has continued the work among the women of Uyeno, and also has taken up work in the City of Tsu. She has lately divided her time between these two important points. The church at Uyeno has shown much earnest endeavor and manifested much activity in its various enterprises. The Christians here were organized into a provisional church at the last meeting of the Presbytery. Mrs Drennan speaks encouragingly of the prospects of the little band gathered. They have not been without their trials arising from the anti-Christian sentiment of the neighborhood. Work has been opened up in a number of the neighboring villages and some believers gathered in them."

"Miss Bettie Duffield, after her return from America on furlough, was assigned to Wakayama. The Christians succeeded in obtaining for her a two-years passport of residence in that Ken. She immediately set about reorganizing the woman's work in Wakayama and the adjacent town of Hikata, where is located the Airene church. She has also taken steps to extend the work to other points. She also engages in ragged school work and teaching in evening classes. The financial proceeds of the latter go to the maintenance of a reading room and an additional preaching place."

The Misses Morgan have had a very successful year in the school work at the Wilmina school in Osaka. Additional workers are badly needed to go to the assistance of our missionaries.

Rev. and Mrs J. B. Hail and Miss Leavitt, who have for some months been taking a rest by change of work, having labored very profitably

among many of our churches, creating a deeper interest in the Japanese Mission, will shortly return to Japan and take with them Miss Ella Gardner, a new missionary under the appointment of the Woman's Board.

Through the kindness of Dr. A. D Hail, we are enabled to furnish you with a map and table that will be of service to any who may want to study the Japanese work more closely.

Mexico.

Rev. F. P. Lawyer in sending his report for this year closes by saying, "With hearts full of gratitude to the great head of the Church for the degree of success already granted this work, for His great munificence, for health in the midst of the dreadful epidemic, and praying that he will send more laborers into his harvest," etc. This almost tells the story of the year. The mission has suffered from the epidemic of typhus fever. Here, as in Japan, the growth of the work has not been so rapid or eventful this year, but a permanent work has been done. The prospects are brighter for a successful upbuilding than at any time during our connection with the work in Mexico.

Guanajuato is the headquarters of Mr. Lawyer and wife, who have associated with them Miss Mary Harris, supported by the Woman's Board. Four persons have been baptized this year, and there are four other candidates for membership. An Endeavor Society of six active and eight associate members was organized in October last.

An English free school is taught by our missionaries at Guanajuato, thus getting access to and a hold on many whom they could not otherwise reach.

SAN PEDRO AND LA LUZ

Are two points a short distance from Guanajuato where Mr. Lawyer preaches. At San Pedro a boys' school and girls' school of about thirty-five pupils each, has been successfully maintained, and a Sabbath-school and regular preaching are also held.

At La Luz services are held twice a month, and arrangements were being made to open a school there, with Miss Harris in charge, when she was stricken with typhus fever. Her illness has delayed this work for a time.

Mr. and Mrs. Lawyer and Miss Harris are now in the United States for rest and health.

REV. A. H. WHATLEY,

Our first missionary to Mexico, had to retire from that field on account of the affliction of his little boy. Mr. Whatley hoped, however, that he would get well enough to return in a few months.

When the mission at Aguascalientes was made vacant by the retirement of Rev C. C. Russell on account of ill health, Mr. Whatley volunteered his services which the Board was more than glad to accept. He returned to Mexico, leaving his family at Danville, Ind., with the understanding that he would remain in charge of the work if the child became able to return to Aguascalientes. But after months of separation from his family, the child not improving, he returns for the second time to this country, leaving the mission in charge of a native helper who conducts regular services. At this place we have good church property and twelve earnest, faithful members. We do not expect this mission to be without a missionary long, as we have appointed to work in Mexico Rev. W. L. Williams, of Macedonia, Iowa., and H. M. Sharp, a layman of Gainesville, Texas, who are to be consecrated during the meeting of this General Assembly.

As in Japan, so in Mexico, more laborers are needed. "Pray ye therefore the Lord of the harvest, that He would send forth laborers into His harvest."

The Indian Mission.

Purely missionary work among the Indians is done only in the Choctaw nation, where we have Rev. A. B. Johnson and Rev. Martin Charles-

ton, a full blooded Choctaw employed as missionaries, who give their whole time to the full blood work. Mrs. S. S. Phelps, under the direction of the Woman's Board, teaches at Hogan Institute in the Cherokee nation. On recommendation of the Cherokee Presbytery all the work in the Cherokee nation, not distinctly among the full bloods, was turned over to the Presbytery, hence Rev. R. C Parks and his work are no longer under the care of this Board. Rev. S. L. Alexander, of Hackett, Ark., under appointment of the Board, preaches in the Territory.

As a Board we are doing no work among the white or mixed-blood people of the Territory. We have no school for the Indians. School work and labor among the people, other than the full bloods, are considered important by the various denominations working in the Territory. We commend the faithfulness and efficiency of a number of ministers, both white and native, who, unaided by the Board, are doing excellent work in that country.

City Missions.

We have twenty-nine city missions. Beverly, Ohio, and Danville, Ill., have become self-sustaining during the year. Two others, Vincennes, Ind., and Tyler, Texas, will become self-sustaining within the next six months, and two more by the first of the year, 1894. Since the last General Assembly we have commenced work in Salem, Oregon, and San Francisco, Cal. Most of our Mission Stations are doing excellent work, but a few are inclined to depend on the Board too long for their own good or for the best interests of our mission work.

There is a disposition now, as never before in the history of our Church, to enter large cities. While we commend the self-sacrificing spirit of Brothers Logan, Stephens, and Caldwell, of Chicago, and Brother Bernard, of St. Louis, and all others who, like them, are planting our cause in centers of influence, it is the opinion of the Board that all such work should be under the control and direction of the Synod in which it is located, it being understood that this should not interfere with the hearty co-operation of the Synod in the regular work of the Board. We herewith submit a table showing the status of our city missions. (See page 56.)

Synodical Missions.

Synodical missionaries have been appointed in Mississippi, Oregon, and Kentucky, in addition to those previously appointed in Alabama and Iowa. We cannot pass unnoticed the excellent work being done in the Synods of Illinois and Pacific. Other Synods have begun work, or are contemplating doing so. We regard this branch of mission work very important and think some uniform plan should be adopted. The stronger and older Synods should be encouraged to relieve the Board, as much as possible, from planting churches in their bounds and at the same time co-operate heartily in all the general work, leaving the Board free to do more work in the newer and weaker Synods.

Church Erection.

This fund has not increased as we desired. Hundreds of congregations have made no offerings and some have absolutely refused to do so. We know that making offerings to this fund is a difficult obligation to meet by a congregation worshiping in a house not its own, but such a congregation may want to build in the future, and then it would be difficult to ask aid from a fund to which it refused to contribute.

Church Erection is among the most essential and worthy enterprises before the Church to-day. Building houses for the Lord, erecting other altars where humanity can pay its vows to God, and where Christian workers may be developed, is no insignificant work. The Church cannot afford to be indifferent toward this appeal to its beneficence. We fear some have mistaken the consolidation of Missions and Church Erection

to mean that they will be excused from taking offerings for this work. This is a mistake. There is a time for offerings, and every church is expected to make them.

Loans to the amount of $5,000.00 have been made this year, and loans to the amount of $806.39 have been returned.

HINDRANCES TO THE WORK.

Excepting the presence and power of God, men and means are the two essentials. There are those who say, "Give us the men and the means will come," others say, "Find the means and the men can be had." We are suffering from lack of both. If we had the money we would be able to do more efficient work. Bring in the offerings and we will put ten strong men in as many of our best cities before the General Assembly of 1894. One of the chief difficulties in entering the large cities is a small Church Erection Fund.

Our forces in Japan and Mexico are too small for efficient work. We need five more men in Japan and two in Mexico.

Many churches make no offerings for your work through the Board.

There are at least 1,000 churches that should give to Foreign Missions, 800 to Home Missions, and 1,600 to Church Erection, from which we receive no offerings.

Many of our pastors are content with what the women of their congregations are doing for missions, not realizing that the minister should be the leader in this training and development. But a greater evil results from this neglect of duty. This Board is crippled in its work for lack of funds, as the Woman's Board uses its funds almost entirely in its own work.

A few Presbyteries refuse to co-operate in the plans of the Board. The work of Missions and Church Erection has not that prominence in our thoughts, plans and efforts that it should have. The General Assembly, Synod, Presbytery, and particularly the congregation, ought to give more time to the consideration of this great basal work of the Church.

The time allotted for taking offerings for the foreign work is unfortunate. Many of the pastors are forced to pass by the period of offerings in order that they may get a respectable amount, because the months are such that they cannot and will not present the claims to their people.

But the greatest difficulty is the lethargy on the part of pastors and church officers in not informing themselves and giving to their people by improved plans an opportunity to make offerings. We have not as yet succeeded in getting the ministry and elders to take and read missionary literature as they should. Not three hundred of our pastors take the *Missionary Record* and the showing of the elders is even worse than this.

OUR PLANS.

An annual meeting of the Corresponding Members of the Board is to be held each year in St. Louis, Mo., where the Board expects to confer with them in regard to the work of the past year and lay plans for future work. The first meeting is arranged for, and is to be held, May 15th and 16th, 1893.

A vigorous effort will be made to induce every congregation in the Church to hold a monthly meeting for prayer and the study of missions, and to this end we have arranged the Monthly Concert of Missions.

Through the regular congregational channels we hope to arouse the Sunday schools and Endeavor Societies to a more active interest in the work. No Presbytery, Synod, or General Assembly will be permitted to meet without an effort being made to increase the interest in our work by a due consideration of its claims.

It is our purpose to furnish the Church with well prepared plans and literature for more efficient work.

The Board feels that we, as a Church, are not giving enough attention to work in foreign lands. If we would be blessed more at home we must

attempt more abroad. To this end we are praying for reinforcements to send to the Japan and Mexico missions, and ask the Church to join us in this petition. Just as soon as our forces are strengthened in our two foreign points we shall open work in another foreign field.

New methods are being adopted for a more rapid and better development of our city missions.

The department of Church Erection shall receive more of our attention, as much of our success in Home Mission effort depends upon its successful development.

Recommendations.

1. That you urge the Presbyteries to require their ministers and congregations to respond to the claims of this work, and to this end that the Presbyteries hold a "Missionary Rally" at each of their sessions.

2. That you ask the Presbyteries to request the observance of the Monthly Concert of Missions by each of their congregations.

3. That you impress upon the ministry and eldership the importance of reading the missionary literature of the day—especially the *Missionary Record* and other publications of the Board.

4. That you commend the Synods for their active interest taken in missions at their last sessions, and encourage them to continue in this, making the Synodical meeting more practical and effective than in the past.

5. That you appoint a committee whose duty it shall be to act in connection with this Board, in submitting to the next General Assembly a uniform basis of organization for mission work in the Synods.

6. That the Missionary Rally on the day preceding the opening of the General Assembly be made a permanent arrangement.

7. That you ask each Presbytery to appoint a "Permanent Committee on Missions" consisting of three members, whose duty it shall be to act in conjunction with this Board in conducting the mission work in its bounds.

8. That you consider the propriety of dividing the year into six equal periods, giving one period to the Synodical Mission work, in which time offerings may be taken for work in the Synods, and that in the readjustment of the periods to the respective enterprises, you change the time of offerings for Foreign Missions to a better season of the year.

This fund is not regarded strictly as a liability, though heretofore reported as such, but having been accumulated chiefly by the increase of property values in Colorado, it has been carried on the books with the view of using that amount at the proper time for aid of the work in that State.

THIRTEENTH ANNUAL REPORT OF WOMAN'S BOARD.

HOME DEPARTMENT.

"O give thanks unto the Lord, call upon his name, make known his deeds among the people." With these words upon our lips and this sentiment in our hearts, we close the work of another year—a year of many changes, of mingled anxiety and encouragement. Anxiety over important questions to be settled; over the best ways and means to meet the financial demands of our work and to strengthen and extend organization; and there has been encouragement from the steadfast, earnest work that has been done in most of our organizations, and we have been happy in the blessed guidance and wisdom of God, which has brought us to the close of another successful year.

THE OFFICERS OF THE BOARD.

The year has brought some changes. The resignations of two of our Board were reluctantly accepted a year ago, that of Mrs. J. C. McClurkin, as Corresponding Secretary and Treasurer, whose experience and faithful service for ten years rendered her an invaluable counselor in all departments of the work, while her never failing devotion to the cause made

her a tower of strength. The other resignation, that of Mrs. Netta Bergen, as Foreign Secretary, whose just judgment and intelligent interest in all the Board's workings, made her an appreciated and valued officer. The latter office was filled by Mrs. J. E. Williamson, and the former by Miss Anna L. Forsythe. Facing these changes, which generally retard the progress of a work, and the failing health of some of our older members, the work has gone steadily on, and in our backward glances we have cause for great thanksgiving, though in our weakness the great responsibility weighed upon our hearts. Much time has been given to the planning and direction of the work. Twenty-four regular meetings have been held during the year, and a number of call meetings. Each member of the Board has been faithful and loyal in her service at these meetings with her counsel, her judgment, and her prayers.

Against the name of one of our synodical officers, Mrs Rose Johnson, of Paris, Texas, and one of our charter members, Mrs. Kurtz, of Princeton, Ind., we write "In Memoriam." Entered into the service beyond since we last met. In the living record of their kindly presence, of their zeal and enthusiasm for the work, while we miss them, yet their examples speak to us and to others.

At the close of last year many changes had also taken place in the offices of Synodical Vice-President. Some vacancies of retiring officers were left to be filled at as early a date as possible. The following officers accepted the office of their respective Synods: Miss Mary Anderson, of Mt. Sterling, Ky., the Kentucky Synod; Mrs. C. M. Williams, of Hamilton, Ohio, the Ohio Synod; Mrs. C. K. Provine, of Princeton, Ind., the Indiana Synod; Mrs S. D. Logan, of Murfreesboro, Tenn., the Tennessee Synod. We regretted the later resignation of Mrs. A. N. Cowan, of Pacific Synod, whose office was promptly filled by Mrs. Alice Landrum, of Merced, Cal. The late office of Synodical Vice-President of Texas, made vacant by the death of the lamented "Aunt Rose" Johnson, is acceptably filled by Mrs. Mary Z. Bone, of Greenville, Texas. It will be our duty to fill the offices of two of our retiring officers at an early date after our Annual Meeting two who have proved themselves loyal, whole-hearted officers, who have studied to show themselves "approved unto God a workman that needeth not to be ashamed."

PRESBYTERIAL ORGANIZATION

Is growing into favor year by year, as the one successful means of accomplishing the end for which the women and children of the Cumberland Presbyterian Church work. The organization of several new Presbyterial Societies has been reported during the year, but of too late a date to bear representation. All our Synods increased their contributions this year. This speaks for increased vigilance on the part of Synodical and Presbyterial officers. A few in their weakness have failed to report with us to-day to share the victories of the year. It is cheering news to hear from our Synodical and Presbyterial officers such as this, "Our Presbytery is doing better than it ever has," or "Our Presbytery has assumed a scholar-hip in the Wilmina school," or assuming some responsibility which will demand their work, their means, and prayers. Our thanks are due to officers of the Synodical and Presbyterial Societies, who have so warmly received and faithfully carried forward every plan suggested.. On them rests a large share of the responsibility of the work, and they have proved themselves equal to the trust. May the coming year, with its new plans, new responsibilities, and new officers to regulate them, find us all ready for service, willing to show our colors, to brave difficulties, and to press onward to attempt and ask great things of God.

AUXILIARIES.

The number of our organizations varies a little from year to year—some new ones are added and some disband or change their form. We have now to answer to our roll call 708 contributing societies; 142 new

ones, of which 10 are reorganized; 135 of these new societies being represented in Annual Report. Alabama takes the lead in the number of societies organized. Two Synods have not reported any new organizations. We are glad to welcome two organizations from Florida Presbytery into Alabama Synod. We have a growing membership, but have not included all the women in the churches represented by these societies. Some societies on the trials of the missionary march have fainted by the wayside, we are sorry to say. How disheartening the words, "We have disbanded until the summer's heat or the winter's cold is over," as it comes with a modest remittance. It is usually the requiem of a dying society. Too many societies heartily sympathize with the work, but live only in name because they have so much to do in their own congregations. Put missionary work first; it will enlarge hearts and widen the sympathies of your people; and they will do more for home objects, too, both in gifts and personal service. "Advance all along the line," is the watchward today. Victory is ours if we are loyal to our leaders.

YOUNG PEOPLE AND CHILDREN.

These bear their part in the grand march of missionary enterprise for the year, and find their place in annual meeting, giving such reports as would put to shame some older societies. The record shows an enrollment this year of thirty-eight new bands and four young ladies' societies. Could we judge from the significance of the names adopted by these bands to work under we would decide they had determined to live. "Shining Stars," "Jewels," "Constant Workers," "Light Bearers," "Bees," are significant of constancy to service.

We would like to be able to report more enthusiastic work among the young, especially our young ladies. We need your willing service, your fresh inspiration to push forward our work. We cannot emphasize too strongly the importance of this part of our work. The passing years warn us that from these bands the broken ranks of the senior must be reinforced and the future of our missionary work depends largely upon those who in these circles are being brought into sympathy with the work which Christ came to accomplish—the redemption of the world.

Special work was recommended in this report last year for the children, and again we urge it. From those who have been in the field and had their experiences in organizing, word comes, "The children are willing and anxious to band together, but it is such a task to find a leader." "Each woman her part," this is the desirable end, to find that "one woman" who will guide our bands. We must do more for the children. Lack of courage makes us falter in our duty. "No better or more lasting good can be done for God and the Church than to train the children for Christian work."

No better way of developing the talents of women than giving them the bright, happy children to train for the Master's use. In these days when "organization" is in the air, we must look to it that the pledge we give, nor the gifts we offer to other work, shall lessen our love and zeal for missions.

To the list of young workers we have invited the babies of our Church through the Light Bearers Enrollment Card. The infant workers now number seventy-five. May these little "Lights" shine so strongly into the hearts and homes of our people as to be the means of melting away the indifference and selfishness toward Christ's cause, and show older ones their duty to "Go preach my gospel."

Y. P. S. C. E.

Our Y. P. S. C. E.'s are enlisting more earnestly in the spirit of missions The monthly missionary topics and Calendar of Prayer find their way into their missionary programmes for education. The names of our missionaries are becoming more familiar to the youth of our Church

through the quarterly missionary meetings of the Y. P. S. C. E. Our Committee on Future Work may present this branch of the work for further consideration.

LITERATURE COMMITTEE.

Missionary literature is a very important factor in our work. The numerous items of information scattered by woman's societies in the shape of attractive leaflets is an element essential to their success. A woman who is ignorant of the condition of the heathen cannot be interested in them any more than a heathen ignorant of God can be a true worshiper of that Divine Being. Let us inform the mass of Church members in every possible way.

The *Missionary Record* increases in favor among the women of our Church. We cannot compare the increase with last year, but it continues a welcome visitor in the homes of old subscribers, and warmly welcomed by many new ones. The supplementary "Responsive Leaflets" have given it a new interest.

The publication of the *Missionary Banner*, which was the children's missionary organ, was discontinued with the December number by the action of last General Assembly. A proposition to the Woman's Board that to meet the demands of our workers a monthly missionary number of the *Gem* be issued to take its place. By advice from thirty of our field officers the proposition was accepted, feeling that a venture to continue a paper independently at that time was not judicious.

Our Woman's Department in the *Record* and the *Missionary Gem*, how can they be improved? How can we secure the co-operation of the workers, that they may be more interesting? Our leaflets—what do we need most? How shall we arrange them that they may be more impressive? How can we get all these circulated more widely? Shall we issue a Calendar of Prayer? What shall be the plan for distributing Annual Reports?

All these questions arise. How far the judgment of the Board and of the committee agrees with yours, our workers, you must answer. To give the greatest benefit to the greatest number is what we desire.

Eleven new leaflets have been issued; some have been reprinted and others added to our stock by purchase from other Boards, which it is hoped will find their way into many a home and heart to do their silent part in the great service. The monthly leaflets containing suggestions and information upon the uniform study have been published as supplements of the *Record*. These are to be stopped with the June number if there is not sufficient demand for them.

We have tried to present in the *Record* news from the Board, from our missionaries, from home workers, and also some general information. In spite of great care, some articles have been lost in the mails, and various circumstances have hindered our reaching our ideal.

But forgetting the things which are behind, and stretching forward to the things which are before, let us press on toward the goal, trusting that we may be able to attain better things in the coming year.

THE TREASURY.

We turn next to our treasury. How anxious we are for the doors of our treasury vault to open as the days draw near for annual review and let us view our year's accounts.

By recommendation of this body last year an apportionment was to be made so that each local society "might have a definite mark toward which to strive." Hence an apportionment of one-fourth more for each society was made by the Board. This seemed a heavy tax upon some societies, while it was a very small one upon others, but with cheerful and hearty co-operation most of the societies went to work to plan to do their part. Some are happy to-day in the results of their efforts.

The receipts for the year ending April 15, 1893, were $13,875.54. Pleasant as it is to record the gain in the treasury, we must face the fact of how small the amount received is compared with what it might and should be.

Had each local society doubled its diligence to meet its apportionment as some have, the goal would have been reached. After meeting the demands of the work for May and June last year, and the books passed into our hands last July, our treasury was empty—this meant borrowed money to be used. Is it right with an enrollment of 1,232 societies that we must work on borrowed capital? It makes anxious days for those who guard the treasury. "Now ye who have consecrated yourselves unto the Lord come near and bring sacrifices and offerings unto the house of the Lord." Each Synod, except two, has increased its offerings this year. The Synod of Tennessee leads with $2,864.48, Missouri following with $2,151.16. The Presbyteries in the lead of offerings are Lebanon, Tenn., $972.84; Indiana, $715.80. The ladies' societies in the lead are Evansville, Ind., $262.32; Lebanon, Tenn., $'55.50. The young ladies, Fayetteville, Ark., $76.63; Evansville, Ind., $63.80. The children's bands, Lebanon, Tenn., "Joy Bells," $77.00; McKenzie, Tenn., "Earnest Workers," $50,00.

Owing to the experiences of the past, and in view of the new obligations to Japan, our surplus for Home Missions was much less than we hoped for, being this year only $500. In addition to this the individual offerings to Home Missions through our Board were $377.31, making a total of $877.31.

While our report shows growth, yet are we satisfied, is it sufficient advance? A more general interest must be manifest in increasing spirituality and consecration to God, by a systematic principle of giving.

If we could revive our 500 resting and dead societies, or organize 500 new ones, and estimate that one-half of our enrollment are small societies pledging $10 a year, and the other half are large societies pledging $30 a year, we could have $25,000 in our receipts in 1894. With this low average of gifts, how great our possibilities, if all would work to an aim. Could we do it? How? Every woman, young lady and child now enlisted to hear that voice, "Arise, He calleth thee to work . . . . the work of Him that sent me," to enlist some one else in this your cause, woman's work for woman.

RECOMMENDATIONS OF COMMITTEE ON FUTURE WORK OF '92

In regard to Field Secretary were carried out by your Board as soon as one could be secured. In January Miss Mattie Mason, Loudon, Tenn., was appointed to the office and directed to the States of Arkansas and Mississippi. The report of her work she will submit to you personally. The Board have been well pleased with the work done by our Field Secretary; while the good accomplished cannot be reported in dollars and cents, still the seed sowing for future good to the Church in general will bear much fruit we hope by the bringing of the auxiliaries more in touch and sympathy with our work, and the circulating of our missionary literature. We recommend her heartily as an earnest, faithful worker and efficient organizer.

In August of last year an urgent request came from the Pacific coast that as no organizer was yet in the field, Mrs. J. C. McClurkin be sent to the Pacific coast to spend a month or more among the churches of that Synod. The request was granted by the Board, and by the middle of September Mrs. McClurkin was in the field. Through this visit we have a number of new societies represented to-day; more women enlisted in missionary work in general.

OUR REPRESENTATIVES.

We are glad to come up to this "mount of privilege" and greet those who have been our Master's stewards in foreign fields.

Miss Julia Leavitt, Rev. J. B. Hail and wife, who have been resting in the home land a year, are with us to-day. These by their personal influence and visitation have given new courage and inspiration to the Synods, Presbyteries, and Auxiliaries, enlisting new workers and "strengthening the things that remained and were ready to die."

Miss Ella Gardner, of Camden, Ind., our new representative, will sail with Miss Leavitt for Japan in June. Indiana has lost an excellent Pres-

byterial worker in giving Miss Gardner to Japan, but we are proud that Japan should win our best.

Dear friends, each new missionary means new responsibilities, new obligations. Do we realize the extent of these? Are we willing to generously and cheerfully meet them?

The time has come when a call through our report for missionaries is not so necessary as the call for means to send and sustain them. Young women are seeing their duty more plainly as to where God wants them. The Church must rally to its duty to see more plainly how to send them. Financial results of last year will not answer for the demands of this.

MEXICO AND INDIAN TERRITORY.

Miss Mary Harris, our missionary to Mexico, is with us to-day, having been called home after a severe attack of typhus fever, for a two months' rest. She with our Foreign Secretary will report the work of this field.

There is no new feature or plan of work to be reported from Indian Territory through this report. We regret, however, to report that Mrs. S. S. Phelps, Principal of Hogan Institute, is compelled to resign her work on account of failing health. We trust, should we continue our work here, that the place which has been so ably and successfully filled by Mrs. Phelps will find a willing applicant in another strong, capable woman.

We have sent to Mexico this year for school work and salary, $747 00; as directed offerings, $196.57, making a total of $943.57. To Indian Territory, $620.00.

ADVANCE THOUGHTS.

1. As we go down to our homes and the duties of a new missionary year let us be thankful for our success, but not satisfied that we have done all we can do. Let every society at the beginning of the year determine how and what advancement to make. Don't wait until fall. Begin with the year.

2. To secure harmony and success in any line of work there must be uniformity of action and method. For the coming year may we beg that all moneys for missions from local societies be sent through Presbyterial Treasurers to the Woman's Board, and not sent by local treasurers unless in case of there being no Presbyterial Society.

3. There are in our Synods many women, earnest sympathizers, who have not the privilege of either church or auxiliary organization, and yet by their liberal offerings do help us. Can there not be some plan suggested by which we can make these "Scattered Helpers" feel more closely allied to our work, auxiliary to some Presbytery or directly so to the Board? We do not like to report them as "miscellaneous offerings," not dignified enough for generous, whole-hearted women, who love the work, and are prompted to give without solicitation. It seems like the old story of "taxation without representation"

A good soldier is always waiting for orders. Read carefully in the *Missionary Record* any suggestions from headquarters; every change in officers and all notices. In making orders or remitting to headquarters please do not forget your name and postoffice address, as delay has been caused by the same in several instances during the year. Presbyterial Treasurer, in remitting please mention the name of your Presbytery. It saves time.

4. Presbyterial Treasurers will see that the Contingent Tax Fund or Presbyterial dues is collected regularly and kept in your treasury for the running expenses of your respective Presbyteries, and not sent to the Woman's Board. All organizations as soon as perfected can be reported to headquarters for enrollment and notice in *Missionary Record*. We would urge a more uniform observance of our Sabbath evening Hour of Prayer; also our anniversary days, Thanksgiving, Christmas, and Easter days in our local societies. These are the days when the heart is attuned to generous impulses, and these impulses give power to our missionary work.

5. The greatest of all these advanced thoughts is the spirit of our service, our sacrifices to be made, our willingness to "spend and be spent in His service," and our continuance in fervent prayer; "Whatsoever ye ask in my name, that will I do." Ask largely; God's blessings will be large.

WITH FEELINGS OF DEEPEST GRATITUDE

For all we have been permitted to see and privileged to bear part in, we close this necessarily imperfect record of the work of the year. Many of us feel we have been on "testing ground" the past year; we know "the mistakes of our lives have been many," but we beg your kind consideration for the past, and your prayers that the experiences gained in our responsible service may make us more efficient and zealous stewards in the future. It is very comforting to know that now and at the last the measure of success in the Master's sight will not be the largeness of the result, but the faithful use of the talents and means entrusted to us.

There is much to encourage us in our mission work, yet surely we cannot feel that we may rest even for a moment. Never was there need of more earnest prayer, hearty work and loving sacrifice.

And now as we face the future work, the Board desire to express their gratitude and appreciation for the willing co-operation, the kind sympathy and oft-repeated prayer for them, as they in their weakness carried their part of this grand work. We would like to say to our missionaries, to our field officers, to every auxiliary who is doing what she can, "Go forward still," "God speed you."

Is the work difficult?—Jesus directs thee.
Is the path dangerous?—Jesus protects thee.
Fear not and falter not—let the Word cheer thee.
All thro' the coming year—He will be near thee.

ANNA L. FORSYTHE, *Home Secretary.*

FOREIGN SECRETARY.

It has been impossible during the short time I have served as Foreign Secretary to gather sufficient data from which to compile such a report as will bring before you and the Church a summary of the results of our labors. I appreciate the great importance of bringing vividly before you the harvest field and the workers to show what has been done, how done, where done, and by whom done, since the organization of the Woman's Board. There is nothing that so cheers the heart as seeing the fruitage, as well as doing the planting. If all the members of the Church were brought, as it were, to breathe the very atmosphere surrounding our missionaries, a warmer sympahty for this great work would be enkindled in every heart.

INDIAN TERRITORY.

No report received from this field.

MEXICO.

Miss Harris, the representative of our Board, says but little has been done for Mexico. It seems impossible to gain an influence over Mexican women. Catholicism has become a by word among intelligent men, but the women cling to it with great tenacity. Among fifty pupils only four are women. Many of the young men are friendly to Protestants, and desire to study English; she speaks especially of four bright young gentlemen, pupils known already in the political history of the country. Among the fifty pupils there was only one Christian.

Miss Harris for some time taught a school of boys in the principal school, while waiting for the La Luz school to be opened; just as this school was in readiness to be opened Miss Harris was stricken with typhoid fever. Let us hope that she may have many years of service for the Master, and that Mexico, that stronghold of Catholicism, may yet be captured in his name.

JAPAN.

Japan seems a country of special interest, as here centers the combined interest of our Boards. From the going forth of Rev. J. B. Hail and family in 1877, over sixteen years ago, the work has gone steadily on. A most encouraging report comes from Wilmina school. Mrs. Van Horn, principal of this school, was granted a vacation a year ago on account of ill health. During this time Miss May Morgan filled her place. On account of continued ill health Mrs. Van Horn has requested the Committee on Education to accept her resignation, and recognize Miss May Morgan as principal. The Committee on Education received with deep regret the news that Mrs. Van Horn separates from the school, and testify to the skill, energy and faithfulness with which she has conducted the school for two and a half years. Miss Agnes Morgan continues in charge of the English Department and school finances The general work of the school is given in the following report from Miss May Morgan:

REPORT OF WILMINA GIRLS' SCHOOL FROM JANUARY 1892 TO 1893.

Number of pupils enrolled, 40; average attendance, 27; number of boarders enrolled, 31; average attendance, 20; number of Christian boarders, 18; number of day pupils, 2; number of accessions to the Church, 5; amount paid teachers (Eng.), $466 65; running expenses and reports, $675.76; amount received from pupils, $704.42; appropriation asked for 1893 (gold), $600.

The statistics show that the school has been smaller this year than last. Miss Morgan adds, "But happily the best thing about a school is not numbers." The work done has been more than usually successful. They have added a new department this year. Japanese etiquette, ceremonial tea, and arrangement of flowers. A small fee is charged in this class to make it no additional expense to the school. If you desire to know the object and aim of this school let me read you an extract of a letter from Miss May Morgan: "The end aimed at is to prepare a leaven of Christian womanhood that may gradually change the condition of men and women in this country. We aim to educate these girls in grace, in faith, and in understanding: aim to root them firmly in the Christian religion, to surround them with such things as aid in growth, and afford the training needed to direct all their powers toward the forming of beautiful lives. From the schools these young women go out carrying a Christian influence here and there, some taking up the work of teaching, some interpreting, some proving the blessings of Christianity in other walks of life; but most of them sooner or later helping to form those Christian homes from which radiate such powerful influences for good."

OSAKA.

Mrs. Van Horn writes thus: "In consequence of ill health I have not been able to do what I would liked to have done, but have tried to be content to do the little things that the Lord has been pleased to put in my care."

She and her husband work in Osaka, in a part of the town hitherto untouched by missionaries; a very difficult place, one that does not promise flattering results; but the fact that there are many thousands of souls in that section who have no opportunity to hear the gospel is sufficient reason for making the attempt. She writes of Sabbath and mid-week services; an English class for men and boys; a work class for women; a class for poor children; a Bible class in her own home, the object of which is to train middle-aged women for practical work among women.

YOKKAICHI ISE.

Miss Rezner reports here a church of twenty members; total received, fifty one, but through removals, etc., the number reduced to twenty. From January, 1892, to 1893, Miss Rezner worked in three different places about seven miles apart. One place, Quwana, a city of 15,000, has a school

of four hundred priests, is a strong Buddhist center, not yet fully open to Christian work. Reports the conversion of two bright young men in this place; says these two rescued souls are worth all the time, money and labor spent here. One incident of Miss Rezner's work I must give you: In 1886 a young girl entered Wilmina school; was baptized in June of same year. From that time on her parents were the subject of her prayers. Last May her mother received baptism, but living where the American Board is located, was baptized in the Congregational church. On June 5th last her father began making preparations to go to Osaka. His wife asked him why he was going. He replied, "I am going to Osaka (a distance of forty-five miles) to the Cumberland Presbyterian Church, to be examined and to receive baptism." His daughter is Miss Rezner's helper, and was with her at that time. Her mother sent for her to come home. In conversation with her father he gave as his reason for going to Osaka that that church, through her, had led his whole family to become Christians. He finally united with his wife. This whole family—father, mother, two sisters, and servants are Christians, and were led through the influence of our representative there. Miss Rezner also reports a W. C. T. U. society of seventeen members started there, and hopes for much good to be accomplished. This society has translated and published a tract on "The Harm of Tobacco," with good results. Letters have come from young men and women saying they have read the tract, they will not again indulge in wines and tobacco. Miss Rezner adds, "We need your prayers more than all else," and sends for the encouragement of the Board these words from John xv. 16: "Ye have not chosen me, but I have chosen you; that ye should go and bring forth fruit, and that your fruit should remain; that whatsoever ye ask of the Father in my name, he may give it you."

WAKAYAMA.

Here we find stationed Miss Duffield, who in her report refers to the fact that one year ago she "was one of you" at Independence, Mo., and asks that the Father may bless the workers as they gather at Edgefield church, and make this a year of abundantly fruitful service for him. Miss Duffield says, "I want the work in Wakayama presented to our women in such a way that it will show the great need there is of more workers here. The Lord has blessed the work of the year, and the future promises great things if only we can have the help we so much need." She speaks of a greater degree of spirituality than ever among the Church members, and says they in turn are reaching out to lead others in the way of truth and righteousness.

I find ten branches of work in this report of Miss Duffield's:

1. One or two regular meetings each day.

2. The woman's prayer-meetings on Mondays and Thursdays for Bible study and prayer.

3. On Wednesdays Miss Duffield and helper go to a village five miles distant, where they have a class of girls, teach knitting and crocheting, then have an hour's Bible lesson with singing and prayer. A small sum is charged for the work taught and the proceeds devoted to church purposes.

4. Charity schools, taught by two Christian women six nights in the week. This work is regularly established. Miss Duffield holds a two years' pass-port as teacher of morality and singing. These children work all day for a living and come here at night for instruction. Many are thus brought into the Sunday-school. Miss Duffield adds, "You would be surprised how much these little ragged children know about God." It is to be hoped that many among them may be brought to preach and teach the gospel.

5. Men's Christian Endeavor Society. The different branches of work in this society are: (1) To lead others to study the Bible. (2) To maintain an English night school. (3) The establishment of a Christian reading room for the city. She says, "I have never seen Japanese men show so much interest in any branch of work as this."

6. An English night school of sixteen pupils, in which she teaches an hour every night when possible.

7. Bible classes. Of these five are held weekly at private houses, some with Christian women who want to know more of the Bible, and some with those who are just tasting the water of life. Then many Bible lessons not regular which are taught as opportunity offers.

8. Children's charity work, classes which meet every Friday evening in her parlor for an hour's work. The principal of the Normal School at Wakayama, who is not a Christian, is much interested in this school, his little daughter being a regular attendant.

9. The mission started by Mr. Van Horn in the home of a widow, preaching here every Wednesday night and Bible instruction on Sunday. Six persons are now deciding for Christ.

10. Two out stations, Iwade and Iwase. These are not kept up regularly; receive only occasional visits. They should be regularly worked; but when the places are so many, and the workers so few, how can it be done in this city of 54,000 inhabitants? Let me add her closing words: "I have not the time for calling on and leading the many women whom I know are willing to learn of God and study the Bible as I ought to do. If you could only realize how much we need other workers here, you would pray and plead for women to come here and help us. When the Lord calls them, speed them on their way, for the hearts of the heathen are ready to open to his word."

TSU, ISE.

Our faithful, earnest worker, Mrs. Drennan, is here. Mrs. Drennan's life represents the same busy scenes; she has a Bible class every morning from 9 to 10.30; two English classes every morning and two at night; Wednesday nights and twice each Sabbath, church services; Sabbath afternoon a Bible class in her own home; visits among the women, and reads weekly letters of instruction and encouragement to the women of the church at Uyeno, and through her Bible woman works among the women of Uyeno. Mrs. Drennan speaks of many points where work could be started, and adds, "I wish we had a dozen real workers to come this spring." Two young men graduated in June; one is in charge of the work at Uyeno; one at Tuse-Ise. Mrs. Drennan assists and advises these young men, they working under her direction. She speaks tenderly of four young girls whose support was first promised by societies at home, but for some reason given up. Says she feels a mother's care for these dear girls. She could not turn them out in the world uncared for, so has kept up their support herself. Some weeks ago the Board, remembering the fact that Mrs. Drennan had given ten years of faithful service to the Master, instructed me to remind her that the time was at hand for a return visit to America. I wish the correspondence upon the subject could be read here, but time forbids. Before this letter had reached her there came the statement from her physician in charge of the hospital at Kioto recommending that Mrs. Drennan come to her native shores for health and rest. Later advices from Mrs. Drennan state that she has fully recovered (as she believes in direct answer to prayer). She insists on remaining yet another ten years at her post, unless ordered by the Board to return. She touchingly says in one letter, "Home, friends and native land so near in sight, seemed indeed sweet to think of, but not half so sweet as the joy of the work here."

Mrs. Drennan has planned a system of village work to be carried out by some of her own women; every village in Igo-Ise is to be visited and work established wherever there is an opening. Mrs. Drennan's closing words are, "I can do so little for the Master, but that little is so sweet to me."

One of the most touching incidents connected with Mrs. Drennan's call home was a letter received from Kimura San, one of her young men. Just a few words from his letter: "You all want to see Mrs. Drennan; we are glad to know of your loving hearts and kind wishes for our dear sister;

indeed she has worked so hard as a Christian heroine these ten years; few have worked so hard. Every day is full of her beautiful words and noble deeds. Our present Japan needs such missionaries ever so much. Dear sisters, her country is now Japan, not America; we are her boys and girls; she must die among us when the Lord calls her. If we should miss our dear mother in this critical moment, what should we do alone? Dear sisters, please do not call her again, and let us take good care of her here in Japan. Yours in Christ, S. KIMURA."

NOTES.

Among the letters of inquiry sent out some weeks ago to our representatives, by accident one was sent to Mr. and Mrs. Hudson, who represent the General Assembly's Board. Such an interesting reply came from them, that I cannot pass it by untouched. These missionaries have their individual places of work in Osaka and surrounding towns. Mrs. Hudson gives an interesting account of how herself and Bible woman gained the attention of the native women. She speaks of various ways of gaining attention. They teach English, sewing, knitting, singing, etiquette, and tea making, then afterward interest in Bible study. Mrs. Hudson mentions one place where several attempts had been made to have a meeting without success. Finally, one day Mrs. Hudson and helper went into a grove in a kind of park and sat down on the steps of an old temple. Soon the girls, who carry babies on their backs, gathered around to watch what they were doing. They slipped off and brought back their mothers, big sisters, and servants. When a crowd had collected, Mrs. Hudson told them if they would go in they would teach them to sing and knit; but says, "I almost repented the invitation, as the whole crowd, babies, beggars, dirt, rags and all went in with us. Yet through this start a respectable class was afterwards formed, and this is now one of the promising country places. Teaching the old tea ceremony has gained entrance to some of the best families." She says it is not the very rich, for they are proud; nor the very poor, for they are ignorant; but the substantial middle class, that is the strength of the churches in Japan.

Another item of interest from Mrs Drennan: "No doubt some of you will go to the Columbian Exposition. If so, when you go to the Japanese department be sure to see a screen sent from Kioto. It is very large, has six leaves, on each of which in elegant embroidery is represented a scene in Kioto. Some represent the various seasons, also day and night, sunshine and rain. Most beautiful indeed is the work. The lower cross panels are embroidered sea shells, the whole is mounted in lacquer with gold and silver facings The opposite side represents the different flowers of Japan. It is indeed a grand work of art. The man who sends it is one of the wealthiest silk merchants in Kioto, and is a friend of mine. He sent for me to go down to see the screen before sending it to Chicago. I went from the hospital, and felt amply repaid. Do not fail to see it. I know there will be many grand things at the Exposition, but closely examined I am sure nothing will give greater satisfaction than this screen. Then it will add interest and bring us closer together seemingly to know that I have looked at the same thing."

We have with us here Rev. J. B. Hail and wife and Miss Leavitt, whom we gladly welcome to this convention. We hope to hear from them in person. It seems a few years ago that the salvation of the heathen depended on gaining an entrance into their countries; now it seems to depend only upon the generosity of God's people, and the going forth of consecrated workers. God speed the day when every hindrance shall be removed and the kingdom of Christ reign everywhere.

MRS J. E. WILLIAMSON, *Foreign Secretary.*

REASONS WHY THERE SHOULD BE AN ORGANIZATION IN EVERY CONGREGATION.

1. The command, "Go ye into all the World and Preach the Gospel to every Creature," is as binding upon each disciple as "This do in remembrance of Me."

2. To Christianize woman is the first step toward Christianizing a people. If the next generation is to be Christian, the women and children of to-day must be enlightened and converted, and to do this Christian women must be sent to them in largely increased numbers.

3. In most heathen lands, women are kept in such seclusion that the gospel of Christ can be taken to them only by women. The secluded women in Eastern nations are one half of all the women of the earth.

4. The women of our congregations need to be awakened and enlightened as to the magnitude and importance of this work. This can be most effectually done by organized societies, since by this means a deeper interest may be aroused, and missionary intelligence be more thoroughly disseminated.

5. Such a society cultivates systematic benevolence, and is helpful to every department of Christian effort. Small sums are thus gathered regularly, and the aggregate will be large. At the same time this does not detract from, but will rather increase the contributions of the congregation for other causes. It is not expected that this Society will do away with the regular public collections for Foreign Missions. These will be taken as usual, so that all may have an opportunity to aid in sending the gospel to the heathen.

6. People will be prayerful, consecrated, and liberal on the great subject of Foreign Missions in proportion as intelligence increases. Such a society, conducted as it should be, will cause the subject to be discussed in the Sunday-school, the prayer-meeting, and every family of the congregation.

7. The children will thus be trained to love and labor for the cause of Foreign Missions. With little effort, under the influence of a woman's society, they may be successfully organized into Mission Bands. The good effect upon their future and that of the Church would be incalculable.

8. The organization of missionary societies among the women of the Church tends to bring their minds to a due sense of their responsibility in this regard, and opens the way for young women to go to heathen lands. It causes those who go to be sustained, not only by material aid, but by the peculiar moral support of woman's sympathies and prayers.

II.—PUBLICATION AND SUNDAY-SCHOOL WORK.

REPORT OF THE BOARD OF PUBLICATION AND SUNDAY-SCHOOL WORK.

To the General Assembly of the Cumberland Presbyterian Church:

REVEREND AND DEAR BRETHREN:—A kind Providence permits us to present to you the results of another year in the publishing work of the Church.

As you are aware, the failure of crops in the cotton States and other causes have produced business depression in a large portion of our country. This depression has affected our work in common with other business interests. While the financial results of the year are not as great as we would rejoice to see them, yet under the circumstances we ought to feel grateful that they are what they are.

FINANCIAL.

The business of the year amounts to a little over $84,000 00, being about $1,400.00 more than last year, and more than that of any other year in the history of the House There has, in fact, been an increase in every department of our work except the circulation of the *Cumberland Presbyterian*. The net profits of the business, after paying the interest on the bonded debt and on loans in bank, as well as all other expenses, amount to $6,003.20. Adding to this $775.75 of donations, makes the total gain for the year, $6,778 95. The profits are to be found in the decrease of the House's indebtedness of over $3,000.00, increase in debts due it, increase in stereotype plates, machinery, etc.

BOOKS.

The book sales this year amount to $19,794.98, being greater than those of any previous year.

Persistent advertising, aided, doubtless, by efforts on the part of the pastors, seems to be developing an increased disposition on the part of our people to buy and read religious books. The success of the Church imperatively demands that this disposition should be encouraged and stimulated in every way possible. Any means of accomplishing this end, which your body may be able to suggest, will be thankfully received.

THE CUMBERLAND PRESBYTERIAN.

The circulation of the *Cumberland Presbyterian* at present amounts to 9,520. Of this 1,296 are subscriptions of preachers at $1.00, and 179 are preachers' widows free of charge.

Recent inquiries of a satisfactory character have convinced us that there are from fifty to sixty thousand families represented in the membership of the Cumberland Presbyterian Church. The most liberal estimate of the circulation of the papers published in the interest of the Church by individuals, added to the circulation of the *Cumberland Presbyterian*, reveals the lamentable fact that about three fourths of our membership read no Cumberland Presbyterian paper, and probably no other religious paper. As long as this state of affairs exists we can count on nothing but an uninformed, indifferent, and lethargic membership. A change in this situation is perhaps the most important work to which the Church can address itself. Every interest of the Church is involved in such change. It is

earnestly to be hoped that this fact will be seriously considered by all of those to whose hands the interests of the Church are committed, and that they will energetically co-operate in the execution of such plans as may hereafter be devised for largely extending the circulation of this periodical.

CUMBERLAND PRESBYTERIAN REVIEW.

Pursuant to the authority of the General Assembly conferred at the meeting in May last, the Board, finding that this periodical could not be made self-sustaining, discontinued its publication. The losses on it during the year, it will be seen, were $329.60.

THE SUNDAY-SCHOOL PERIODICALS.

The circulation of these is as follows: Bible Study, 3,850; Comments, 39,000; Rays of Light, 31,000; weekly Gem, 10,300; semi-monthly Gem, 6,200; Our Lambs, 30,000; Lesson Leaf, 23,000.

While these figures show an increase in the use of these periodicals, yet it is evident that there are a large number of our schools not taking them at all and many schools providing themselves with an inadequate supply. Whatever improvement they are susceptible of depends upon their increased patronage, and every Cumberland Presbyterian should co-operate with the Board in endeavoring to place them in every school in the Church. The aim of our united effort should be to place them in every school and make them as good as they can possibly be made.

JOB WORK.

As will be seen from the balance sheet the job work for the year amounts to $22,368.84 as against $17,925.03 last year. The House is now prepared to do, and is doing, almost every variety of job work of very superior excellence, and we believe as cheaply as such work can be done by any house in the country. Although the amount of work now being done is large, yet the membership of our Church have it in their power to double it whenever they make up their minds to do so. We trust they will remember that the profits of the House belong to their Church, and that every dollar's worth of work which they send it or induce others to send it is a contribution to their own Church institution.

DEPARTMENT OF SUNDAY-SCHOOL WORK.

A full report of your Sunday school Committee and doubtless one from M. B. De Witt, D.D., superintendent of the Sunday-school work, render a report from the Board on this subject unnecessary. To these reports we respectfully refer you.

REPORT AS TREASURER.

We herewith submit a statement as your treasurer showing the receipts and disbursements for the fiscal year. We would call your special attention to the fact that the collections from the Presbyteries are not regarded as due, at all events are not paid, until the latter part of the fiscal year. One result of this is that the Board does not receive its pay for printing the Minutes of the General Assembly until nearly eleven months after the work is done. We respectfully suggest that the tax on the Presbyteries should be increased for one or two years so as to provide a fund in advance with which to pay for the Minutes. An increase of the tax of 50 per cent for one year or 25 per cent per year for two years will accomplish the desired result. From the nature of our business the Publishing House has to be run at a loss during the summer months, and to carry this debt for the General Assembly is an addition to the financial burden of which the House ought to be relieved.

REAL ESTATE.

The Board still owns the house and lot in Nashville adjoining the Publishing House. It has not been deemed wise to press the sale of this property for several reasons.

It is within the range of possibility, not to say probability, that this lot may be needed not many years hence for the enlargement of the Publishing House. Its location insures a steady increase in value. Its rental more than pays the insurance on the house and the interest on the balance of the purchase money. And lastly, there being some depression in real estate, now is not regarded as the most propitious time for selling it.

The Board still owns, subject to the life estate of Mrs. Chambers, the property near Independence, Mo., which was the generous gift of herself and her husband. It does not appear in the inventory of assets, but is worth not less than $15,000.

BONDS AND RENTS.

Since the date of our last report the Board has disposed of, at par, the $2,800 of short bonds then on hand, making the total amount of bonds issued $50,000. The semi-annual interest on all the bonds has been promptly paid. The rentals of the apartments in the new Publishing House have amounted this year to $3,921.03. Out of this is paid the wages of the janitor, elevator boy, insurance on the entire building, and other incidental expenses. The amount remaining is applied to the payment of the interest on the bonds and the bank loans contracted to pay the balance on the cost of the building.

In conclusion, we beg to remind your reverend body of the very great importance of sustaining the publishing work of the Church. The Board owes a large debt, for the payment of which provision must be made. The bulk of it is bearing interest, and a considerable part of it at a high rate. It cannot be carried indefinitely. As long as we continue to enlarge our work, which we should do yearly, a considerable portion of our profits must be used for that purpose, and, consequently, only a portion of the profits applied to the payment of the debts. The property to be paid for belongs to the Church. These things considered, every Cumberland Presbyterian, looking at the matter from a business standpoint alone, should feel it to be his duty to do everything in his power to increase the revenues of the House. But there are other considerations far more important than those of a financial character.

The publishing work of the Church should have a large share in the moral and religious culture of that Church's membership. We live as we think, and we think as we read. The importance, therefore, of carefully selecting the literature which comes to our hands and our homes cannot be too earnestly urged. But to read nothing at all is almost as dangerous as to read unwisely, and the masses are practically reading nothing at all. The combined duty of the House and the Church is first to develop reading tastes and habits, and then to supply the appetite thus created with the most wholesome literary diet which cultured and consecrated brains can produce. The Cumberland Presbyterian Publishing House is devoted to a purpose, with God's help, to do its part toward inducing the unsaved to become Christians, Christians to become Cumberland Presbyterians, and all to become cultured, intelligent and earnest workers for Christ and the Church.

Invoking God's blessing upon your deliberations and upon the work committed to our hands, we are

Your brethren,

III.—MINISTERIAL RELIEF.

TWELFTH ANNUAL REPORT OF THE BOARD OF MINISTERIAL RELIEF OF THE CUMBERLAND PRESBYTERIAN CHURCH.

To the General Assembly in Session at Little Rock, Ark., May, 1893:

FATHERS AND BRETHREN: The record of another year for the cause of Ministerial Relief has been completed, and as your stewards we submit to you a report of what has been done. Considering the sacredness of this tender ministry of the Church toward our suffering ones, it is pleasant to think of the process by which the happy results of the year's work have been accomplished. In many hundreds of church Sessions the pastor has called the attention of the "overseers of the flock" to the fact that it was time to remember those who have retired from active service and the families of those who have fallen at the front. With generous hearts have these Sessions and congregations responded to this sacred call; and we may readily assume that no offering has been made for any cause more cheerfully than that for the cause of Ministerial Relief. The number of congregations that have forwarded offerings during the year is 1,270. The mere mention of these figures suggests the other side of the picture. In how many congregations of Cumberland Presbyterians has no word been spoken in behalf of this cause during the entire year? Not a moment of the Session's time has been given to its consideration, and no suggestion as to the propriety of contributing to the Relief Fund has been made by the pastor. These delinquent congregations and Sessions number many hundreds, and the pastors that have failed to remember their aged and helpless brethren and the families of those who have fallen are also numbered by hundreds.

Fathers and brethren, think for a moment upon the significance of these facts. See the trembling forms of these men of four score years who have laid the best service of their lives upon the altar of the Church. They are in need of clothing, medicine and food, and hundreds of younger men in the ministry turn from them without so much as a thought for their welfare. Widows and orphan children are in deepest need, and with outstretched hands look, as they have a right to do, for sympathy and aid to the Church in behalf of whose work the husband and father laid down his life. Not even for them have these hundreds of congregations and pastors a word of sympathy to speak or a dollar to give. They decline even to send an outgrown garment, or to bestow the "cup of water," upon the offering of which our Savior's benediction has been pronounced. We implore your most earnest efforts to awaken these congregations, Sessions, and pastors that seem so indiffe ent to their obligation in behalf of this cause.

While this paragraph was being written, a communication came from a widow whose husband was one of the best men in our Church, but died early in life, leaving his companion to care for several small children. As her letter is a sample of very many others, we quote these lines: "You write that the Board would gladly assist us more if funds were furnished them, and I am fully assured of that truth. Although I am a sickly woman, our heavenly Father has sent me aid from other sources, and we have not suffered for the real necessities of life as we might. Of course

we have not had the comforts to which we were accustomed in former years, and have been much more exposed to cold and hardships than ever before; yet through it all I have been blessed with a truly thankful spirit, and have much to be grateful for considering my weak state of health and our helpless condition." At the same moment came a letter from the pastor and treasurer of one of our leading Texas churches, enclosing a check for a handsome sum, and explaining that although the church was without a pastor during the Ministerial Relief period, and many demands of a general and local nature are now pressing for attention, they cannot allow the year to close without doing something for this worthy cause. This offering had been gathered by the pastor and Session in a private way, both holding that conscience forbade them to turn heedlessly away when those appointed to minister to our needy ones called upon them for help. May we not hope to see the day when not one of the widows of our fallen brethren shall be obliged to write as this widow has written, and when all of our pastors, Sessions, and congregations shall be impelled by the noble spirit that moved the brethren of this Texas church?

THE PRESBYTERIES.

It is a matter of congratulation that the Board is able to report contributions annually from the bounds of nearly every Presbytery in the denomination. This year only three Presbyteries - East Louisiana, Eden, and Trinity - failed to appear on the list. Congregations in the last named Presbytery have taken collections and turned them over to one of our beneficiaries residing in their bounds, but have failed to report these to the Board, and they must therefore appear blank in the statistics for the year. It is far better, for many reasons, that all contributions should be sent direct to the Board and distributed to the beneficiaries through the regular channel. The little time and expense involved by this method is nothing compared with the advantage of doing the business of the Church in a systematic way. We hope that all Presbyteries that still cling to this relic of other years will abandon it and adopt the plan which the experience of all our Boards has proven to be best.

With special emphasis we call attention to one feature of the year's work. Many Presbyteries have solicited for beneficiaries in their bounds a much larger sum than their congregations have contributed to the fund. To this there can be no objection if their congregations, or even a fair proportion of them, will contribute what they are evidently able to give for this cause. In many such cases a majority of the congregations do not even contribute anything, and the Board will feel compelled in the future to observe these facts and be governed by them in making its appropriations. When Presbyteries call upon the Board for aid this act should itself be a suggestion to them to consider whether their congregations are doing all they can for the Relief Fund. If not, the most vigorous measures should be adopted for improvement. One Presbytery has called upon the Board for $250 for the beneficiaries in its bounds, and has insisted that the full amount should be sent. It has twenty-eight congregations, and only nine of these have made any contribution, the aggregate being $25. Another Presbytery, with twenty-one congregations, has called for $260, while nine of its congregations have sent only $33. It is, of course, to be expected that Presbyteries will often receive from the fund more than they contribute, but surely in such cases it may reasonably be expected that they will contribute according to their ability. The Presbyteries that rank foremost in the amount of their contributions are Lebanon, with forty-four congregations, thirty-two of which have contributed $360.06; Lexington, with sixty-six congregations, forty-three of which have contributed $339.17; Indiana, with nineteen congregations, seventeen of which have contributed $277.69; Red Oak, with forty congregations, twenty-five of which have contributed $235.98; Elk, with fifty-seven congregations, thirty-three of which have contributed $207.85. There are twenty-three other Presbyteries whose total contributions amount to more than one hundred dollars each. These are as follows: New Lebanon, Union, Obion,

Logan, Guthrie, Salt River, Corsicana, Foster, Arkansas, Hopewell, Tehuacana, Bonham, Princeton, Kirksville, McGee, Chattanooga, New Hope, Ozark, Dallas, Allegheny, Oxford, Vandalia, Albion, and Sangamon. This leaves ninety-one Presbyteries contributing less than one hundred dollars each, some of them containing from twenty to thirty-five congregations. These figures clearly indicate that the offerings made by the great majority of our congregations are much smaller than they ought to be. It is important, therefore, for the Presbyteries not only to bring into line the congregations that are delinquent, but to arouse those that give to increased liberality for this cause. Surely, it is possible to reduce this list of ninety-one Presbyteries to a very small minority of the whole number.

THE CONGREGATIONS.

As indicated elsewhere, the number of congregations that have made offerings during the year is 1,270. This number is substantially the same as that of previous years, but there is a marked decrease in the amount contributed by nearly all of our congregations. Only twenty-three congregations throughout the entire denomination have contributed more than $30 each. These congregations are as follows:

Evansville, Ind	$119 18	Lebanon, Tenn	$77 27
Corsicana, Tex	75 00	Memphis, Tenn	71 56
Meridian, Miss	68 25	Nashville, Tenn	61 81
St Louis, Mo	60 00	Uniontown, Pa	55 00
Marshall, Mo	53 27	Chattanooga, Tenn	51 22
Kirksville, Mo	47 23	Cleburne, Tex	44 95
Owensboro, Ky	40 00	Groesbeck, Tex	40 00
Princeton, Ky	39 03	Bethlehem, Ky	38 00
Whitewright, Tex	37 60	Goodlettsville, Tenn	37 50
McKenzie, Tenn	36 05	Franklin, Ky	35 37
Aurora, Mo	32 13	East Liberty, Pa	31 08
Lincoln, Ill	30 40		

The contributions of our stronger congregations are in most cases smaller than they have been in former years. What may be the correct explanation of this peculiar fact, we do not assume to judge. Possibly, however, it is in consequence of the special interest which stronger congregations have been led to take in other enterprises of the church, whose interests seemed to be of supreme moment. If this is the prevailing tendency among the pastors, Sessions and membership of the leading churches of the denomination, we deem it here and now our sacred duty to sound a note of warning and remind pastors and people that this Board can only distribute to the hundreds of needy ones looking to it for aid that which it receives from the church. If the contributions are reduced, while the list of beneficiaries is being so rapidly increased, there can be but one result. Aged ministers and widows and orphans must appeal in vain for help, and even their imperative necessities cannot be supplied. Owing to the large increase in the list of beneficiaries this Board is obliged even now to decline often to send money where we know it is sorely needed, simply because the small amount at our disposal does not admit of our doing what our hearts and judgments prompt us to do. We earnestly implore the whole church not to set aside this cause for a mere remnant of its offerings, simply because there are so many other calls, and because some of them may be recognized as of more vital consequence to the life and progress of the church. While doing the one we should not leave the other undone. Let not our suffering ones be forgotten.

SUNDAY SCHOOLS AND CHRISTIAN ENDEAVOR SOCIETIES.

The suggestion of the last General Assembly, emphasizing the deliverances of former Assemblies regarding the Sunday Schools and Christian Endeavor Societies, has been followed up by the Board, and there is a marked increase in this direction as indicated by the list reported else-

where. One hundred and twenty-one Sunday Schools and thirty-four Christian Endeavor Societies have forwarded special offerings in addition to those sent by the congregations to which they belong. In all cases these have been credited to the congregations, and are also published in a separate list. We hope that hundreds of others will follow the worthy example of these young persons who have remembered so kindly the aged father in Israel, and also the widow and the orphan.

STANDING COMMITTEES.

The efficiency of many of the Standing Committees of the Presbyteries is increasing with experience. Their agency is of the highest importance, not only that a correct and just administration of the funds be made, but also to inaugurate and carry out proper measures for its increase. We urge that every Presbytery be required to have a Standing Committee on Ministerial Relief, and that these committees shall be composed of capable men who will conscientiously perform the duties required of them.

AMENDMENT TO FORM OF APPLICATION.

The General Assembly is requested to amend the Form of Application for Aid so that the portions indicated may read as follows:

ITEM 7.—What are his circumstances and his prospects for support in the future? (State whether he has a home, and if so what it is; also all important particulars in full detail.)

ITEM 8.—Has he children or other near relatives with ability to assist him; and if so, to what extent? (Give name, sex, age, address, and circumstances of each. If they are able and do not assist, state reasons why.)

ITEM 9.—This Presbytery has — congregations, of which — contributed a total of $——— to the Relief Fund last year. We will do our utmost this year and each succeeding year to secure a contribution from every congregation for this cause. For this year we ask an appropriation of $——— for the above applicant.

WOMAN'S DEPARTMENT.

This new department of our work, organized by direction of the General Assembly a year ago, has been inaugurated with marked success, and is destined to become a source of great assistance and comfort to the families of our beneficiaries. In a large number of congregations permanent committees of ladies have been appointed, many of whom have already done very valuable service. Boxes and packages of clothing, provisions, household articles, etc., have been arranged under management of these committees, and have been sent direct to the particular families for which they were prepared. This department is in charge of Mrs. W. J. Darby, who will cheerfully furnish all information desired by ladies' committees. We hope soon to have an active committee in every wide awake congregation in the denomination. Some of the committees have not reported the work done during the past year, but so far as reports have been received they are as follows, the aggregate value being $545.70:

OUR BENEFICIARIES.

Last year we reported eighty-eight names on the list of our beneficiaries. Some of these have since gone to their reward in heaven—where

"Sickness and sorrow, pain and death,
Are felt and feared no more."

Seventeen new names have been added to the list during the year, making the total at this date exactly one hundred. At this writing, however, the Board has additional names that have been forwarded by Presbyteries which will be acted upon at our next meeting. The list represents Presbyteries. Where the recommendation of a Presbytery is made in accordance with the rules laid down by the General Assembly the Board uniformly acts favorably on the recommendation. Thus the list will continue to increase as the judgment of the Presbyteries and the Board may determine, and unless there is a corresponding increase in the aggregate amount contributed by the church, the appropriation in each case must be correspondingly diminished.

THORNTON HOME.

The mere mention of this delightful retreat is a joy to the heart of every Cumberland Presbyterian. The affairs of the Home have progressed smoothly during the past year, and death has not invaded the household. The number of persons composing the family of the Home during the past year is sixteen. Some have been with us only part of the year, others remaining permanently. The doors of this Home are open wide to every beneficiary of the Board who comes under the regulations that have been adopted for its government. To all who may come, as long as there is room, a most cordial welcome will be extended, and they are assured of every attention which the ordinary wants of life may require. The Board spares no pains to make this a home indeed, rather than a public charitable institution; and we believe there is not a happier or brighter spot on all the continent than this delightful place.

The proper support of this institution requires a considerable expenditure of money, which we assume the General Assembly will approve. If, however, it should at any time appear that the support of this Home draws too heavily upon the current funds of the Board, there will remain two lines of action open to the General Assembly and the church. One will be to dispense entirely with the Home and to distribute the money now being expended in this way *pro rata* among the beneficiaries of the Board. To do away with this institution would, it seems to us, be a backward step which the Church will surely be slow to take. The other alternative, and the one we would strongly urge, is the endowment of the Home by special gifts from those whose hearts incline them to large things in behalf of our disabled ministers and the widows and orphans of our fallen ones. We hope the day is not far distant when $25,000 will thus be placed at the disposal of the Board, the income of which can be used as far as possible to defray the expenses of the Home and thus lessen the appropriation necessary from the annual offerings of the Church. We hope that all who are blessed with abundance will take this subject to heart, and that this proposed endowment may speedily become an accomplished fact.

This year of service has been to us a great joy, our only regret being that we could not do more for those whom the Presbyteries have named as worthy of aid. We trust that the coming year will be marked by greater liberality throughout the whole Church, and that thereby our ability to supply the wants of the distressed and to compensate noble men for the work they have done in former years may be correspondingly increased.

RULES FOR ADMISSION AND GOVERNMENT.

1. The person applying must be a beneficiary of the Board, duly recommended by some Presbytery, or committee of a Presbytery, who will promise to be subject to the regulations of the Home.

2. The person applying must not be helpless, nor possessed of a disagreeable malady, as it is not deemed wise to try to run a hospital. Should any one become helpless after going to the Home, he will be cared for in every way that is possible to the convenience of the Home.

3. The Board reserves the right to remove any person whose conduct or condition may be disagreeable to a majority of the occupants of the Home.

4. Applications for a place in the Home shall be made directly to the Board of Ministerial Relief.

The form of application shall be as follows:

.... 189...

The Committee of the Presbytery of .....

on Ministerial Relief hereby recommend to the Board of Relief .....

.....for admission into the Thornton Home.

The committee believe this person to be a proper subject for admission, the three prime requirements being met in this case, namely: First, being a worthy person; second, not being helpless, and free from a malady; and third, a person of such a disposition as to get along agreeably with the other occupants of the Home. We agree, that, after this person becomes an occupant of the Home, should the management find that we have been mistaken in the disposition and condition of the person applying, and the Board should deem it wise to remove this applicant from the Home, to conform to the wishes of the Board and take back to our midst the person herein named.

By order of the Presbytery.

GENERAL STATEMENTS.

The purpose for which this Corporation is formed is to receive, hold, convey, and disburse such real and personal property as may be given by will or otherwise to it, or acquired by it in any legitimate way, for the relief and support of disabled ministers and missionaries, and of the needy widows and orphans of deceased ministers and missionaries, or of such other persons as may be dependent upon said ministers and missionaries.

Appropriations from the funds of the Corporation shall be made alone, first, to such ministers as are members in good standing of some Presbytery of the Cumberland Presbyterian Church, they having fully consecrated themselves, since entering said ministry, to the active duties thereof in said Church, and who are not able to support themselves by any suitable vocation of life, and to such missionaries as have been appointed to work in Home or Foreign fields by the recognized authorities of said Cumberland Presbyterian Church, and who have faithfully discharged the duties assigned them during the time of their appointment, and who are not able to support themselves by any suitable vocation in life; and, second, that so far as may be consistent with the wants of disabled ministers and missionaries, the Board may also furnish aid to the widows and orphans of ministers and missionaries aforesaid, and to such other person or persons as may be, or may have been, dependent upon said ministers and missionaries.

RULES FOR DISBURSING FUNDS.

1. All appropriations for ministers must be made on the recommendation of the Presbytery to which the applicant belongs, or of a Standing Committee of that Presbytery. Appropriations for the widows and orphans of deceased ministers must be made on the recommendation of the Presbytery to which said minister belonged at the time of his death or of a standing committee of that Presbytery. Appropriations for missionaries who are not ministers, or for those who are, or have been, dependent upon such missionaries, shall be made on the recommendation of the Board by which such missionaries were, or may be, employed.

2. Appropriations are made for one year or less, except when otherwise ordered; and if aid is continued, the recommendations must be renewed from year to year.

3. The following blanks shall be used in all applications for aid:

IV.—EDUCATION.

REPORT OF THE BOARD OF EDUCATION.

REVEREND AND DEAR BRETHREN: Grateful to God for his manifold mercies during the past year, the Board of Education respectfully present to the General Assembly their twelfth Annual Report. There has been no change in the membership of the Board since your last meeting.

In June last, on account of his long-continued illness and the prospect of slow recovery of health, Rev. J. R. Henry, who had faithfully and efficiently served as Secretary and Treasurer, offered his resignation, which was accepted, and Rev. A. G. Bergen, of Evansville, Ind., was chosen to fill the vacancy.

At the regular annual meeting, the 12th inst., the Rev. J. M. Hubbert, D.D., was re-elected President, and Rev. A. G. Bergen was re-elected Secretary and Treasurer for the ensuing year.

CHANGE OF POLICY.

At a meeting held in October last, the Board considered Item No. 6 of the report of the Committee on Education made to your body at your last meeting, whereupon it was resolved that the "gift policy," as approved by the General Assembly, shall be adopted by the Board in its future work, instead of the "loan policy," which had been previously pursued.

The following Probationer's receipt and pledge was then adopted:

Cordially approving and sincerely endeavoring to exemplify the doctrines and discipline of the Cumberland Presbyterian Church, and being persuaded that it is my duty to devote my life to the work of the ministry in said Church, and anxious to secure an education adequate to the responsibility and duties of said holy calling, I hereby accept a loan of

$.....

from the Board of Education of the Cumberland Presbyterian Church in accordance with the policy and rules of said Board. I therefore pledge myself that the money which I have thus received shall be applied exclusively toward the necessary expenses of continuing my education, and that I will repay the amount borrowed of said Board, without interest, as soon as practicable after I have finished my studies in school.

I understand, however, that I have the privilege of electing to retain this money as a gift from the Board, and that in case I do so elect this obligation will be wholly cancelled in the event of my continuing in the ministry of the Cumberland Presbyterian Church for five years from the time of ceasing my studies in school, provided application to that effect is made to the Board of Education. If no such application is made at the expiration of said term of five years, then the money is to be repaid as heretofore specified.

Signed,.....

.....189...

PAST LOANS.

At the same meeting it was decided that all "past loans" shall be subject to the same conditions that are set forth in the foregoing pledge.

Receipts.

The tabulated statements submitted herewith show our income for the past year. One year ago the Board reported to the General Assembly that for the year ending April 1, 1892, it had received from all sources $10,524.89. Deducting $2,803 Permanent Fund collected during the year and carried over from previous year, leaves $7,721.89 net contributions to the general fund. This year the Board has received, from all sources, $9,463.49. Deducting $446.95 Permanent Fund, and $100 to be used as a Permanent Loan Fund, we have $8,916.54 net offerings to the general fund for the past year, showing a net increase to the general fund over previous year of $1,194.65.

Candidates in School.

Fully two hundred of your probationers have attended school during the past year at the following institutions: Cumberland University, 77; Trinity University, 33; Missouri Valley College, 28; Lincoln University, 12; Bethel College, 9; Waynesburg College, 7; Ozark College, 5; Arkansas Cumberland College, 5; Southern Illinois College, 3; Dick White College, 4; other schools and seminaries, 20.

One hundred and eighty-three of these are classified as follows:

Theological School—	
Seniors	17
Juniors	20
Total	37
Literary Schools—	
Seniors	14
Juniors	21
Sophomore	16
Freshman	34
Preparatory	61
Total	146

Of these 111 expect to take a full literary course, 119 intend to pursue a theological course, and 9 have decided to go as foreign missionaries.

Candidates Aided.

The Board has assisted 115 candidates during the past year. This is a large increase over any previous year, while more than a score of applicants were turned away on account of a lack of funds. One hundred dollars per year is the largest amount allowed any one candidate, by a rule of your body. This would defray about one half his lowest expense for a year in a college or the Seminary. But the condition of the treasury during the past year, together with the large increase in the number of applicants, has not allowed our granting an average of half that amount. Fifteen thousand dollars could have been used and was actually needed for the work during the past year. The coming year the needs will be much greater because so many young men are looking to this fund for aid.

Recommendations.

We recommend that you require your Presbyteries to use due diligence to secure an offering to this cause from each congregation during the quarter for Education.

We also recommend that you emphasize to your Presbyteries and congregations the importance of prayer in behalf of our young men. "The harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest."

We request that you again urge the Presbyteries to use great caution and discrimination as to the character of young men introduced into the ministry and in recommending candidates to this Board for aid.

The following resolution was adopted by the Board at its last regular meeting:

Be it resolved by the Board, that we cordially endorse and appreciate the efficient and thorough service of the Board's Secretary, Rev. A. G. Bergen, and that we return thanks for the manner in which he has conducted the affairs of the Board intrusted to him.

Appreciating the importance of the work committed to us, and with a sincere desire to help our struggling young men in every possible way, we are

Your servants and co-laborers in the Lord,

REPORT OF AUDITORS.

To the Board of Education of the Cumberland Presbyterian Church:

We, the undersigned committee appointed at the last meeting on May 12, 1893, to audit the accounts of the secretary, Rev. A. G. Bergen, report that we have gone through his books showing the amounts received and paid out from June 27, 1892, to April 1, 1893. For all moneys which he has actually received and disbursed we find vouchers in due form. We also found proper vouchers for all money reported to him except in a few instances where he was unable to learn to whom the money had been sent, or else to obtain vouchers from the party or parties receiving it. We found his books and vouchers kept in a neat and orderly manner.

Respectfully submitted.

REPORT OF TRUSTEES OF CUMBERLAND UNIVERSITY.

To the General Assembly of the Cumberland Presbyterian Church, in session at Little Rock, Arkansas:

The Trustees of Cumberland University submit the following report for the college year ending June 2, 1893:

The current catalogue of the University will show near three hundred students in attendance during the year. The Theological and Law Schools have increased in the number of students over last year, the latter, materially. The number of Theological students is thirty-seven as compared with thirty-three for 1892. The number of Law students is eighty-one as compared with seventy-one for 1892. The total number of candidates for the ministry, which includes those in the Seminary and those in the Academic School, is seventy-eight against sixty six for the preceding year. There has been a decrease in the numbers attending the Preparatory and College Classes, but mainly in the Preparatory School.

The effective Theological endowment is now $60,155, an increase over last year of about $2,000. No other changes in this item have occurred during the year that make it necessary to change the statements of the last annual report, and for any further information reference is had to that report.

Since the last report, and on March 1, 1893, the University has suffered a severe loss in the death of our beloved brother, Rev. S. G. Burney, D.D. In making this official announcement to your reverend body of a fact already so well known throughout the Church, the Trustees cannot withhold an expression of their veneration and love for the memory of this great and good man. He was a consecrated man of God, pure of heart, exalted in his Christianity, profound in thought, a student and a scholar, loyal to his church and to Cumberland University, and faithful in his great labors for both, almost to the instant of his death. The Church cannot well spare the labors of such a man, neither can it erase from its history their impress upon it.

The Trustees report the following changes in the Faculty of the University: (1) Rev. Alexander D. Hail, D.D., has been elected to the Chair of Systematic Theology to fill the vacancy occasioned by the death of Dr. Burney. (2) Rev. J. M. Hubbert, D.D., has been elected to the Chair of Practical Theology; and (3) Mr. Isaac W. P. Buchanan has been elected Professor of Mathematics, it having been made apparent to the Trustees that the duties of this chair require the services of two men.

The Trustees respectfully ask that these several appointments be confirmed by your reverend body.

The Trustees also report, not however as a matter requiring any action on the part of the General Assembly, that Rev. Dr. J. M. Hubbert has been appointed Dean of the Theological Faculty, and as such will be especially charged with the duty of looking after the interests of the Theological School in its relations with the Church at large, and will be the accredited representative of the Board in all church judicatories for the promotion of the interests of the Theological School and in the encouragement of patronage in students and in donations to the endowment.

The Trustees also report encouraging progress in the erection of the new University building. The foundation for the building is now practically complete, and will cost about the sum of six thousand dollars, every dollar of which the Trustees are ready to pay when the work has been approved by the architect. The Trustees have secured about twenty-five thousand dollars additional for the further prosecution of the work, but a much larger sum yet will be needed for its completion and full equipment. The Trustees believe they will have the money in hand as it shall be required, but that this may be assured, the many friends of the University in every part of the Church must lend a helping hand.

The year has been a prosperous one, and the outlook for the future is perhaps more hopeful than ever before in the history of the University.

Respectfully submitted,

ANDREW B. MARTIN,

President Board of Trustees of Cumberland University.

A. F. CLAYWELL,

Secretary Board of Trustees of Cumberland University.

REPORT OF ENDOWING AGENT OF THE THEOLOGICAL SEMINARY.

The result of the past year's work, though better than the year just preceding, has not been satisfactory to the Agent. Contributions have been smaller and fewer than the importance of the work demanded. There has been a general depression—particularly in the South—growing out of the shortness of the cotton crop and the low prices realized. In almost all parts of the Church there have been earnest efforts to press forward local educational institutions, thereby dividing both the contributions and attention of the Church. In addition to this the important effort to put up commodious and much-needed University buildings at Lebanon, Tenn., will for the next two years so divide the liberality of the Church that the Agent is of the opinion that general canvassing for the endowment will not be best. Some special attention should, by all means, be given large donations and bequests, which are doubtless the ultimate hope of a sufficient endowment. It is the wish of the Agent, therefore, to be released from the agency as soon as practicable.

REPORT OF COMMITTEE TO VISIT CUMBERLAND UNIVERSITY.

The committee appointed by the last General Assembly to visit Cumberland University make the following report:

In obedience to the call of the chairman, we met at Lebanon, Tenn., May 11, 1893.

1. *Preparatory Department.*—This department has seventy pupils, nine of whom are preparing for the ministry.

2. *Academic Department.*—A stone structure of magnificent proportions for the accommodation of the Academic and Theological departments is in course of erection. About thirty thousand dollars have already been secured, and it will require at least one hundred thousand dollars to complete the building and furnish it with the necessary equipments. Surely among the two thousand alumni and the numerous friends of the University this small sum can be easily collected.

The endowment of the Academic Department is very inadequate to meet the necessary demands of such a school, and should be immediately increased. This is especially apparent when we consider the fact that there are in this department fifty candidates preparing for the ministry who are receiving their tuition free. In this department there are four professors and eighty-five pupils.

3. *Law Department.* - The Law Department has a national reputation, and needs no words of commendation from your committee. Theological students in their junior year receive instruction in Constitutional and International law, while the members of the senior Theological class are instructed in the Law of Evidence, all free of tuition. This instruction, we think, is a feature of training to be specially emphasized in the thorough equipment of the future minister. There are two professors and eighty-two students in this department.

4. *Theological Seminary.*—Divinity Hall has a pleasant and healthy location, with buildings which at present accommodate the classes in the

various branches of theological instruction, and some fifty boarders who are furnished board at the nominal cost of $6 per month. Some of the rooms have been very neatly furnished by private donations; still much could be done in this respect by the kind-hearted women of the Church for the young ministers. Maps, charts, and other appliances would be of great use in the lecture rooms.

The death of Rev. S. G. Burney, D.D., has removed from the Seminary a most excellent and loving instructor, whose fame is in all the churches.

We congratulate the Church in the wise selection made by the Trustees of the University in calling Rev. J. M. Hubbert, D.D., of Nashville, to the chair of Practical Theology and the deanship of the Theological Seminary, and the Rev. A. D. Hail, D.D., of Japan, to the chair of Systematic Theology. By this arrangement the working force of the Seminary will be increased to five professors; but these will be overworked, and the endowment of this department should be increased in order that more teachers can be employed. The course in the Seminary is now two years in length. This is as long a course as perhaps is now practicable, but an effort we think should be made as soon as possible to extend the course to the extent of three years. There are at present in the Seminary seventeen seniors and twenty juniors.

The work in all the departments of the University is thoroughly done.

Respectfully submitted.

SPECIAL COMMITTEE ON THEOLOGICAL SEMINARY.

To the General Assembly of the Cumberland Presbyterian Church, in session at Little Rock, Ark, May, 1893:

BRETHREN: Your committee appointed to receive gifts, or to submit to and receive from individuals or communities propositions looking to the establishment and equipment of a theological seminary in the city of Chicago, would report:

The instructions given by the General Assembly in appointing this committee seem rather permissive than mandatory. We have therefore not thought it obligatory to open subscriptions for the enterprise while all the indications seemed, in the minds of the committee, to presage so small a measure of success.

It seemed impracticable to take any steps toward organized effort until early autumn. Meanwhile Illinois Synod had been asked to appoint a committee to examine a piece of property, offered, it was stated, on favorable terms, with a view to accepting and holding it for the Synod to be used for a theological seminary. A majority of your committee accepted an invitation from the Synodical committee to meet with them and examine the property. The terms were not satisfactory, and the negotiations were terminated.

To avoid unfavorable complications your committee thought best to act in harmony with the Synod's committee. As they still have under consideration the matter of accepting property in Chicago, the way has not seemed clear for this committee to solicit funds.

Moreover, outside of this complication, there is a division of opinion in your committee as to the best plan of procedure, some advocating the raising of a fund before considering any proposition as to real estate. Others have felt that an option on valuable property, at favorable terms, would materially assist in raising funds.

The amount named as a minimum in the report adopted by the sixty-second General Assembly has seemed to hedge up the way to any enthusiastic response on the part of our people.

The establishment of our cause in Chicago and at other important points during the past year, and the heavy demands for means consequent upon it, have increased rather than lessened our embarrassment in this direction.

We therefore recommend: –

1. That you indicate definitely the course to be pursued in raising money by specifying whether the amount named shall be raised entire before steps to secure real estate are taken, or whether an option on property may be secured before the amount is raised.

2. That the attitude of the General Assembly's committee with reference to the effort of Illinois Synod be clearly defined.

3. That the minimum amount required to be raised be reduced from $300,000 to $50,000.

4. That other cities of not less than 100,000 population as well as Chicago be made eligible as sites for the seminary, thus enabling the committee to secure competitive offers when the specified endowment has been raised.

Very respectfully submitted.

A. E. TURNER,
R. G. MITCHELL,
H. A. JONES.

COLORED SCHOOL.

We, the members of a commission appointed by the General Assembly in session at Union City, Tenn., in 1890, in connection with commissioners appointed by the Assembly (colored) for the purpose of considering the best interests of the colored school located at Bowling Green, Ky., submit that there has been no joint meeting of the members of the commission since the last meeting of the General Assembly. The property in Bowling Green has virtually ceased to be used for educational purposes, and has been in the hands of a real estate agent for sale, but thus far no sale has been effected for the reason that it was thought best to wait for a better price than has yet been offered for it.

By reference to the Minutes of the General Assembly of 1890 it will be seen that the commission then appointed has no authority to act in the premises until the General Assembly's Board of Trustees shall have sold the property at Bowling Green, or until it shall have determined to re-open the school at that place.

We therefore suggest that the powers of the commission be enlarged, so that pending the sale or delay of other arrangements it may do whatever may be practicable and desirable in the matter of re-establishing the school wherever it is thought best.

J. M. GILL.

V.—CORRESPONDENCE.

PAN-PRESBYTERIAN ALLIANCE.

CINCINNATI, OHIO, May 1st, 1893.

To the General Assembly of the Cumberland Presbyterian Church:

HONORED BRETHREN: In behalf of the Executive Commission, Western Section, of the "Alliance of the Reformed Churches throughout the world holding the Presbyterian system," we beg leave to present to you in brief form the report of the work for the year ending April 30, 1893. Three meetings of the Commission were held during the year, two at Toronto, Canada, in September, 1892, and the third in the city of New York, in April, 1893. The sessions were of decided interest, and were characterized by a spirit of unity and hope. We are glad to announce that the United Presbyterian Church in North America has been re-enrolled as a member of the Alliance. A marked feature of the work during the year just closed was the meeting of the fifth General Council at Toronto, Canada. The sessions of the Council extended from September 21 to September 28, 1892. The attendance was large and representative, the discussions were scholarly, thorough and fraternal, and the general result upon the community with whom the Council met and upon the representatives of the Churches encouraging and unifying. Sincere thanks are due to the citizens of Toronto for the generous provision made by them for the entertainment of the Council, and large hopes are of right cherished for the future of the Alliance as an organization. The number of the denominational Churches in the membership of the Alliance is at present ninety-one. They are found upon all the five continents, and have a total constituency of some twenty-one millions.

The work of the Alliance needs for its proper conduct from year to year a certain sum of money. The salary of the General Secretary and other necessary expenses must be met in some systematic manner. The basis of pecuniary support is at present the representation accorded the several Churches in the General Council, and is as follows: "For each hundred congregations or less, two delegates up to one thousand congregations; above one thousand congregations, one delegate for each additional one hundred up to two thousand congregations; above two thousand congregations, one delegate for each additional two hundred and fifty congregations." Under this arrangement the number of your delegates to the Sixth General Council will be thirty-four, and the annual apportionment of expenses due from you at the rate fixed by the Executive Committee ($15 per representative) will be $510. Will you kindly provide for the payment of this apportionment, and so enable the Executive Commission, Western Section, to carry forward its work so far as pecuniary matters are concerned in an efficient manner?

The officers of the Alliance are at present as follows:

President—Rev. Talbot W. Chambers, D.D., LL.D., New York, N. Y. Honorary Secretary—Rev. W. Garden Blackie, D.D., LL.D., Edinburgh, Scotland. General Secretary—Rev. George D. Mathews, D.D., 25 Christ Church Avenue, Brondesbury, London, England. American Secretary—Rev. Wm. H. Roberts, D.D., LL.D, Cincinnati, Ohio. General Treasurer—R. T. Turnbull, Esq., London, England. General Treasurer—George Junkin, Esq., LL.D., Philadelphia, Pa.

It is proper here to state that Mr. Junkin, owing to temporary ill health, is at present sojourning in Europe, and that F. K. Hipple, Esq., President Real Esta e Trust Company, Philadelphia, Pa., has kindly consented to accept for the time being the position of treasurer, *pro tem.* All moneys intended for the expenses of the Western section should, therefore, be forwarded for the present to Mr. Hipple's address.

The next Council of the Alliance has been appointed for Glasgow, Scotland, in the year 1896, at such period of the year as the Glasgow Committee of Arrangements shall appoint.

With a view to the more full expression of the common faith, and of the spiritual unity of the Reformed Churches, it gives us pleasure to state that the Executive Commission has appointed the Rev. W. J. Darby, D.D., as a delegate to bear to your venerable body the fraternal greetings of the Alliance.

Tendering to you our Christian salutations and best wishes for the prosperity of the work of Christ in your midst as a Church, and through you in all lands, we remain yours fraternally.

T. W. CHAMBERS, *Chairman.*
WM. HENRY ROBERTS, *Secretary.*

ADDRESS IN REFERENCE TO ARBITRATION.

RICHMOND, VA., June 1, 1892.

To the General Assembly of the Cumberland Presbyterian Church:

We beg leave to lay before you for your adoption a petition addressed to the several governments of Christian nations. In making this communication we act as the Executive Committee of a Peace Conference, held in the City of New York, U. S. A., in December, 1891. That body consisted of delegates from most of the leading denominations in the United States of America, whose representative bodies had adopted this petition, in which we ask your concurrence. This is an effort to unite all the churches of Christendom in using their influence with governments to secure the substitution of arbitration for war in settling international disputes.

The importance and hopefulness of this movement are thus set forth in the original call that led to the assembling of the Conference:

"Nothwithstanding the healthful influence of Christianity in all those lands that have received the gospel, it is a lamentable fact that still international questions are referred to the arbitrament of arms. Many Christian countries maintain large standing armies and navies, that constantly menace the peace of the world, and are a grievous burden to the people that support them. Whilst some international differences are settled by peaceful arbitration, this is not recognized as the only and final resort for the adjudication of these questions. War and bloodshed are still the means to which Christian nations look to right their wrongs.

"We believe that among the Christian people there is a strong sentiment in opposition to this deplorable evil, and in favor of referring all matters of international claims to some suitable tribunal for peaceful solution. And, further, we entertain the hope that if the influence of this sentiment were properly brought to bear upon the governments of these Christian nations it would greatly further this desirable end."

The Conference in New York in December last, desiring to have a more general co-operation of the churches throughout the world than had then been secured, adopted this resolution:

"*Resolved*, That, in order to secure the concurrence of other religious bodies in the petition to governments, adopted by those bodies represented in this Conference, final action on it in forwarding it to the governments addressed be deferred to another Conference, to be held in the city of Chicago, during the Columbian Exposition, in 1893; that the representa-

tives of the churches of Christendom be requested to adopt this, or a like petition, and send up to the proposed Conference the several copies thereof, properly addressed to the several governments, and officially signed; that they be requested each to send one or more delegates to the said Conference; that the main design of that Conference shall be to take steps to bring the petitions before each government through such influential persons as will secure for them favorable consideration."

We communicate with you through the committee appointed to correspond with your denomination, and request that you report your action to that committee. Respectfully and fraternally yours,

W. A. CAMPBELL, D.D., *Chairman.*

VI.—SYSTEMATIC BENEFICENCE.

REPORT OF PERMANENT COMMITTEE ON SYSTEMATIC BENEFICENCE.

Your Permanent Committee on Systematic Beneficence herewith respectfully present their first annual report.

The Minutes of the last General Assembly report 2,916 congregations in the Cumberland Presbyterian Church. So far as your committee have been able to learn through the pastors of these congregations, only 58 have no trouble in meeting their financial obligations. Of the 171,609 communicants in the Church, only 1,283 are reported as systematic or proportionate givers. Of 1,940 ministers and licentiates, only 338 report that they believe in proportionate giving; while only 276 of these prove their faith by their works. Of course these statistics are very incomplete and imperfect, yet they demonstrate the following facts:

1. That the finances of our churches are in a deplorable condition.

2. That this unfortunate state of affairs is due to a want of system in the management of our church finances, and the disregard by the larger portion of our ministry and laymen, not only of that portion of the Church covenant which obligates them to contribute of their means to the support of the Church as God prospers them, but also of the plain teachings of God's word to the same effect.

3. The great importance of a radical change in the practice of most of our pastors and people in this particular, and the wisdom of the action of the last General Assembly in appointing a Permanent Committee on Systematic Beneficence, "whose duty it shall be to formulate plans and methods of systematic beneficence and submit the same at" this "meeting of the General Assembly for ratification."

The first regular meeting of the committee was held at Marshall, Mo., June 17, 1892, all the local members being present, and was organized with W. H. Black, D.D., as chairman, Rev. T. J. Clagett, secretary, and W. J. Brasfield, treasurer.

At the second regular meeting Mr. A. C. Stewart, who had been appointed a member of the committee, but whose multiplied duties, we are sorry to say, would not permit his assuming this additional responsibility, with regret tendered his resignation.

In addition to sending to all our ministers and licentiates postal cards addressed to the committee's secretary, and containing several questions which they were requested to answer and then mail the card, your committee have published a small leaflet addressed to the membership of the Church, giving information in regard to the appointment of the committee and a brief statement of Bible authority for systematic beneficence, together with an earnest appeal for the prayers, sympathy, and co-operation of all in this important work, and closing with a form of agreement pledging those who sign it to set apart and contribute regularly a certain proportionate part of their income for religious and benevolent purposes. These leaflets have been furnished free in any quantity, to all who desired them, upon receipt of the postage necessary to send them. The first edition of 5,000 was soon exhausted, and a second edition of 10,000 has been published.

Your committee desire to express their appreciation of the many kind expressions and suggestions received from a number of brethren in various parts of the Church, and for some valuable articles offered to the committee for publication and distribution in tract form, but which the committee could not do on account of a lack of the necessary means. Also, to thank several brethren who sent contributions to aid the committee in its work.

The deplorable state of our churches in the management of their finances calls for deep and earnest concern on the part of all who love the Lord and his cause. This is certainly a time when we should all heed the Word of God as spoken by the prophet Haggai, when he said again and again, "Consider your ways." God is undoubtedly withholding many blessings from us because we are withholding our means from his cause. He has revealed in his Word all the plans, principles and laws necessary for the successful managemant of the financial as well as the spiritual affairs of his Church, and these plans, principles, and laws are not only very good in theory, but are most excellent in practice. Like everything else divine, they are absolutely perfect, and therefore can never be improved upon by human wisdom.

Sporadic enthusiasms and spasmodic and haphazard giving will never enable the Church to meet the demands of God upon her, or satisfy the needs of her individual membership. Bad habits of giving, as well as the habit of some of not giving at all, must be broken, and good habits formed. No one can question the propriety, reasonableness and scripturalness of regular, systematic, proportionate giving to God's cause, and when this duty is properly presented to the minds, and pressed upon the consciences of Christians as it should be, its performance will finally become a part of their Christian life, and few, if any, will long be satisfied to give less than what was required by the Jewish law, and was voluntarily given by Abraham and Jacob hundreds of years before any part of the Bible was written. What the people need is proper instruction and encouragement. This they must get mainly through their pastors.

In view of the vast importance of this subject as evidenced by the prominence given to it in the Word of God, and the pressing needs for more money to carry on the work of the Church, your committee would recommend:

1. That all our ministers be instructed to heed the injunction which Paul gave to Timothy (1 Tim vi. 17–19): "Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy; that they do good, that they be rich in good works, ready to distribute, willing to communicate; laying up in store for themselves a good foundation against the time to come, that they may lay hold on eternal life," and see that those to whom they minister are affectionately taught the scriptural principles and methods of giving, and are encouraged in the practice of the same.

2. That all our elders and deacons be encouraged to make a thorough investigation of this subject and aid their pastor in developing the congregation in systematic beneficence.

3. That the question of systematic beneficence be fully discussed at the meetings of our various church courts, and Sunday-school and Elders and Deacons' conventions.

4. That some suitable person be appointed to deliver a discourse on systematic beneficence at the next General Assembly.

5. That every member of the Church be advised to adopt the plan of regular, systematic, proportionate giving.

6. That all our ministers be instructed to report the state of their congregations on the subject of systematic beneficence to the Assembly's Committee on Systematic Beneficence.

7. That your Permanent Committee on Systematic Beneficence be authorized to appoint a corresponding member in each presbytery and synod in the Church, whose duty it shall be to co-operate with the Assembly's Committee on Systematic Beneficence in collecting and disseminating information on this subject.

8. That the resignation of A. C. Stewart, Esq., as a member of this committee, be accepted, and W. S. Danley, D.D., is respectfully nominated to fill the vacancy.

A bill for the necessary expenses of your committee, amounting to $70.40, is herewith presented, with the request that it be paid.

EXPLANATORY NOTE.

The following Statistical Tables are not as full as they should be, nor are they, as a whole, entirely accurate. The columns which show the contributions made to the several Boards of the Church can be relied upon, for the figures in said columns were obtained from the reports of these Boards to the General Assembly. In almost every case the footings in those columns were found to be correct. In a few of them, however, there were slight inaccuracies in the additions; but the errors were too insignificant to justify any alterations in the figures.

The greatest defect in these Tables is seen in the column marked "Total Membership." In quite a number of the Reports of Stated Clerks of Presbyteries the membership is diminished; and this decrease, too, is reported in despite of the fact that the column marked "Additions for the Year" shows a very large increase! The reason assigned by Stated Clerks for this inconsistency is that Clerks of Church Sessions will not report "all on Church roll"—will simply give the number of *efficient* members, because they are unwilling to have their congregations "taxed" in proportion to the entire membership. But while this is the case, and while the "total membership" column will make an exhibit of members below what they really should be, yet it is a fact that the denomination, not only in membership, but in all the essential elements of prosperity, is moving grandly forward—has just closed one of the most successful years in its whole past history.

These Statistical Tables not only give an insight into the doings of each congregation, but they likewise afford a true index in regard to the efficiency of Stated Clerks and of Clerks of Church Sessions. Presbyteries, by examining the same, can form quite an accurate idea as to the fidelity of these officials. If the work is not satisfactory, the remedy is in their own hands. (See Minutes of 1889, page 52.)

The number of congregations will apparently be considerably increased; but to a great extent this arises from the fact that, in some cases, our Boards give credit to the names of the *post-offices* at which the letters containing remittances were mailed instead of to the *congregations* which contributed the funds. As will be seen, the congregations given by Stated Clerks of Presbyteries are numbered, and the places not thus given have no figures before them. This plan was adopted for two reasons: first, Stated Clerks are presumed to know the congregations in their respective bounds; second, if this had not been done, the whole plan devised for ascertaining the Superintendents of Sunday-schools for specific Churches would have been thwarted. As it is, the name of the Superintendent of the Sunday-school of any particular congregation is known by the *number* which stands before that name—his number and that of the congregation in which he is Superintendent being the same.

The column, "Total Amount Contributed," no doubt contains a number of errors, owing to the fact that Stated Clerks of Presbyteries failed, in many cases, to use the decimal point dividing dollars and cents, when no doubt it should have been used.

In a number of instances Stated Clerks of Presbyteries did not "estimate" for congregations not reporting, but in such cases they authorized the *sum totals* that are seen in the proper columns relative to Church membership.

GENERAL SUMMARY.

The reports from Stated Clerks of Presbyteries show that 158 ministers bore letters of dismissal and recommendation at the time said reports were forwarded. Only a small number of these had had time to join other Presbyteries when the reports were made out. Still, only one half of the number has been added to the list of ordained ministers. Several were stricken from the roll who did not bear letters of dismissal. This was caused, no doubt, from inaccuracies of Stated Clerks of Presbyteries. There are, no doubt, at least 1,740 ordained ministers. The increase in the membership is by no means equal to the "number added" during the year. This matter, however, is fully explained on page 172. On subsequent pages a General Summary of Statistics will be found. Some of these items may differ slightly from those in the tabulated statistics of Presbyteries beginning on page 174 and ending on page 285. The most of the changes, however, were authorized by Stated Clerks of Presbyteries. The columns containing the contributions made to our various Church Boards are believed to be accurate, for they were obtained from the reports of the Boards, and great care was taken to have them correct.

The columns, "Value of Church Property" and "Amount Paid Pastor and Supplies," are defective, as will be seen by inspection; for in *many* cases these columns are blank. The truth is, if *facts* could be obtained, both of these columns would be greatly enlarged in the aggregate.

On this page, by order of the General Assembly, the statistics of the Cumberland Presbyterian Church, Colored, will be found This organization is separate and distinct from the Cumberland Presbyterian Church, hence its statistics have never been made a part of said Church. If the Cumberland Presbyterian Church were to add such statistics, as all other denominations do, the total membership would be fully 185,000.

As will be seen, all the Boards of the Church are doing fine work, and never before was the outlook in general Church work more encouraging. In brief, the entire denomination, year by year, is becoming more coherent, aggressive, and efficient.

Statistics of the Cumberland Presbyterian Church, Colored.

The General Assembly of 1886 directed the Stated Clerk to embody in the Minutes the statistics, in brief, of the Cumberland Church, Colored. From the most reliable information at hand, the following, it is believed, is a close approximation: Ordained ministers, 200; licentiates, 175; candidates, 190; Presbyteries, 22; Synods, 5; General Assembly, 1; and communicants, 13,000. Remarks.—It will be seen by careful attention to this table that the increase in the Sunday-school statistics is very encouraging. Never before has the Cumberland Presbyterian Church reported one hundred thousand persons in its Sunday-schools. This statement shows nearly one hundred and twenty thousand. Had some Presbyteries, which neglected to make any reports, presented a fresh table of their condition, and some others been more accurate, the present exhibit would have reached one hundred and twenty-five thousand. By comparing my last year's table with this one, it will appear that careful collection and collation of numbers give an increase of twenty thousand seven hundred and forty persons during the year, partly due to more thorough reporting and partly to new schools and growth of old schools. It will be noted also that considerable increase of contributions is apparent. I am indebted to Dr. Blake's tables for some valuable points.

M. B. DeWITT, *General Superintendent.*

By a standing order of the General Assembly the Stated Clerk is directed to close the year the first day of May. The foregoing, therefore, shows the financial standing of each Presbytery on May 1, 1893. But all Presbyteries which have paid their dues since that time (and a number have done so) will receive the Minutes for this year. The reception of the Minutes is evidence of the adjustment of Contingent Tax. T. C. BLAKE, Stated Clerk.

INSTRUCTIONS TO STATED CLERKS.

(1) Do not write a line until you have all your matter prepared.

(2) Write with pen and ink, and write plainly. Do not use *pale* ink.

(3) Arrange names of Ministers, Licentiates, and Candidates *alphabetically. Do not forget this.*

(4) When you get to the "Statistical and Financial" page or pages, do not fail to arrange names of *Congregations* alphabetically. THIS MUST BE DONE.

(5) Do not undertake to fill the columns set apart for the several Boards of the Church. Leave those *blank* in your report, for they will have to be filled out from data furnished by the Boards themselves. The Stated Clerk of the General Assembly will look after those columns.

(6) Insert dollars *and* cents in column "Children's Day Collections" and in column "Dues to Presbytery." Do not put *cents* in any other column.

(7) Add the figures in all the columns on "Statistical and Financial" page or pages (except column 5) and *verify* the same. This *must* be done by you, or you *must* get a competent accountant to do it. All the Presbyterian bodies in the land require this of Stated Clerks of Presbyteries. *Do not send your report until this has been done.*

(8) In the column "Total Contributions" put figures in *pencil* marks, for the Stated Clerk of the General Assembly will have to add to them the contributions from the several Boards. By putting that column in *pencil* marks the figures can be erased. Please do not overlook this request.

(9) Send list of Commissioners as soon as they are elected, and send it in a small envelope, not in the large one which you will find inclosed, for it is for you to use in sending your report.

(10) Send Contingent Tax as soon as you collect it. Let it reach me before May 1, or your Presbytery will be reported delinquent. The "tax" is $2.00 on each *ordained* minister. (See Minutes, 1890, page 36.)

(11) If a Church is without a preacher, write the letter V after the name of the congregation, and if it has done nothing, let its name stand opposite blank columns. But by all means report name and address of Clerk of Session, *number of members*, and all else you may know.

(12) Persist in your efforts until you get a report from each congregation. If necessary you can withhold your report until May 10. But if you can get it ready earlier, do not fail to send it as soon as it is completed.

(13) You will see that by this new method of obtaining statistics, ordered by the General Assembly, your labors are greatly increased, and those of the Stated Clerk of that body are increased more than a hundredfold. You will also see that unless your Presbytery is reported it will appear in the Minutes simply as a blank. There is no help for such an exhibit, according to the "new form."

(14) Finally. Your heaviest labor will be the first year, for when you once get the names of your congregations alphabetically arranged and those of your Sunday-school Superintendents arranged as required on the last page of Presbyterial blanks, you can get the same the next year, with a few alterations, from the Minutes of the General Assembly.
